Ask Library Facilities

The drastic lag of Daly City's library facilities in relation to population growth was brought out sharply before the city council Monday night as councilmen met for the first time with the local library commission.

Commissioner Margo Westgaard pointed to the fact that while the recommended number of books for a city of 24,000 population is 36,000, Daly City has only 9000 volumes on hand.

Primary problem broached to the council by the commission was the providing of library facilities for the proposed 440-acre Doelger annexation now before the city.

Library Inadequate

Commission chairman Wayne Carr said that, "We feel that in negotiating with the Doelger firm for municipal facilities a library should definitely come up for consideration. The present library isn't even large enough to handle the population in older Daly City, much less the present Westlake development."

City Administrator Dan Andersen answered that a library site had already been discussed for the Westlake area and added that Doelger had guaranteed to set aside a portion of property on Southgate drive which the city will have option to purchase.

Andersen further explained that the library site provision that had not been incorporated in the new annexation agreement because the site would be in the older section of Westlake.

Site For Expansion

Discussion was also held on the possible acquisition of additional property adjacent to the present library for expansion purposes.

The council instructed the commission to prepare a long-range planning program and inform the council of their needs.

Commissioners told the council of the new program to establish a children's library branch in Westlake.

The Westlake PTA is handling solicitations for the project and will turn their funds over to the Daly City public library for acquisition of books.

One regular library employee will supervise the Westlake program for a few hours each day.

New Book Stacks

Councilmen approved a commission proposal to purchase new book stacks for the main library. Surplus money from the equipment fund will be used.

It was learned Monday that the library commissioners have been submitting a budget requesting only enough money for bare operating expenses. The council suggested that next year the commission give a detailed list of important projects and base their budget requests accordingly.

In other action the council approved setting up of a children's librarian classification. Salary range, $295 to $341, will be equal to that of the head librarian. Commissioners said there was enough money in the budget to hire the children's librarian, since some of the part-time help will be eliminated upon her hiring.

Mayor Joseph Verducci, speaking for the council, said the city was very cognizant of the drastic need for library facilities and indicated they would work in close cooperation with the commission to remedy the situation.

Cop Commissioner TONY RICCI summoned some of his police lore last weekend to apprehend a couple of bad actors.

Having just returned from a four-day retreat, Ricci was sipping one at a local tavern when he and a companion were bombarded by bags full of water thrown from outside the establishment.

Ricci ran down two of the youths and collared them until police officers arrived.

Getting wet inside is one thing, but getting a bath on the outside at the same time is no good.

Some Daly City residents, down Westlake way, are receiving tax bills from the Broadmoor police district and want to know just how much protection they have to pay for.

ANNOUNCE 3000 YULE CHECKS FROM B OF A

Local Bank of America managers D. D. Harris, D. J. Franco and J. Ferrari today announced the distribution of Christmas club checks to 300 residents of Daly City and Colma.

The 3000 checks will amount to a total of between $300,000 and $500,000, an all-time record for the Yuletide savings.

Harris, Daly City branch manager, said that the high savings indicate an optimistic picture for business in the area. Most of the money, he said, is spent locally, while some is re-invested at the banks, where it then circulates again to finance building and construction.

Harris said that this year the Bank of America will send out 400,000 Christmas club checks throughout the state, totaling

Estimate Damage At $3000 In Blaze

An estimated $3000 damage was done to an Oliver street residence Sunday morning from a fire that started from a burning cigarette.

C. L. Packard, 153 Oliver reported to firemen that a blaze from a cigarette started in his upstairs room about 3 a.m. and he attempted to put it out.

Believing the fire was under control, he told firemen that he went downstairs to sleep to avoid the smoke.

During the night the fire continued to smolder and erupted again about 7 a.m., burning most of the interior on the upper floor and destroying the furnishings.

Daly City Companies 1, 2 and 4, in addition to San Francisco firefighters, battled the flames for about half an hour.

One fireman, Andy Conaty, received a minor cut in the fire, while another, Bob Greenstrand, was briefly overcome by smoke inhalation.

HEARING ON DOELGER ANNEXATION HELD UP BY TECHNICALITY

Monday's scheduled public hearing on the proposed Daly City annexation of 440 acres of Doelger property today faced at least a three weeks postponment because of a legal technicality in publication of notice of hearing, THE RECORD learned.

Under State law, notice of hearing to annex property must be printed twice in a newspaper located in the annexing city and also in a county newspaper of general circulation at least 20 days before the hearing. City Attorney Frank Blum said he had neglected to have the hearing notice published in a county newspaper.

Councilman Sanford Vickers originally called attention to the fact that under the government code the notice of hearing must be printed in both a local and outside paper.

As it now stands, the city council will have to re-set the hearing again Monday and publish the notice two times in the papers required by law. At least 20 days must elapse from the time publication is certified complete to the time of hearing.

This means that publication of the notice won't be completed until at least November 18. Thus Monday, December 13, would be the earliest possible date to reschedule the hearing to comply with the 20-days ruling.

The area, located south of the present Westlake development and east of Skyline boulevard, would be known as the Westlake Highlands. Each acre would be divided into seven lots, making a total of about 3080 new dwellings when completed.

Figuring 3.7 persons per home, the annexation would, within a 10-year period, swell Daly City's population by 9000, giving the city a total population count of 34,000.

Gives Park Sites

In negotiating with the city on the annexation, the Doelger firm agreed to give two one-acre park sites and supply the parks with equipment.

In addition, Doelger will finance all reservoir and major water line installations, for which he will be re-imbursed over a ten-year period on a lease-purchase plan. Payments, according to City Attorney Frank Blum, would be made from water revenue collected in that area.

Doelger will also make available a firehouse site in the new development, plus a library site in the original Westlake section, to be located on Southgate, according to City Administrator Dan Andersen. These two pieces of land will be paid for by the city.

Fire Alarm System

Fire alarm system for the new subdivision will be installed by Doelger and the firm will also set aside $100 on each fire alarm box to go towards purchase of a master fire alarm control.

Accountant Robert Hunter is currently preparing an analytical report which will show what effect the annexation will have on the city's financial and tax structure.

His report is expected to compare costs to the city and list revenue which would be forthcoming in taxes and state subventions.

At the time of hearing all pros and cons on the annexation will be held.

GIVE TENTATIVE OK ON PA SYSTEM AT CITY CHAMBERS

Installation of a public address system in the council chambers was tentatively approved by the city fathers Monday night.

SAFETY COUNCIL LAUDS RECORD AT MEETING HERE

Daly City's traffic safety program ranked among the top ten per cent of the cities of its population group according to the National Safety Council's traffic inventory analysis.

It was presented at a meeting Thursday in City Administrator Dan E. Andersen's office with other city officials present.

Paul F. Hill, the council's field director from Chicago said: "The citizens of Daly City should indeed be proud of the outstanding program of accident prevention being conducted by the police department, street department and schools of the city. To rank 44th out of 458 cities in the 10,000 to 25,000 population group is indeed an accomplishment for which you can well be proud."

Commendations

Special commendation was given the outstanding accident record program and the individual officer activity in the police department. The organization and administrative phases of police administration came in for praise along with the type of equipment and training now in use.

Arrest Carpenter After Suicide Try

A 31-year-old Daly City carpenter was jailed here Sunday after taking six nembutal pills in what police said was an apparent suicide attempt.

At 7:45 p.m. police were summoned to the home of Peter Rasmussen, 416 Irvington, by his wife.

On arriving there officer Robert Crooker said he found Rasmussen standing dazed in the doorway of the home with a .22 pistol in hand.

According to police, Rasmussen, following an argument with his wife, took six of the tablets and ripped the telephone from the wall of the apartment. His wife went next door to phone for help.

After having his stomach pumped out at Junipero Serra hospital Rasmussen was charged with disturbing the peace.

Police also said they were checking on the gun held by Rasmussen, since it was marked "Property of U.S.A."

BOARD HEARING SET ON HILLTOP LODGE LICENSE

Hearing on the revocation of Liquor license for Hilltop Lodge, alleged hangout for recent dope activity, has been set for November 19 at 2 p.m. in the board of equalization office at Redwood City.

Thomas Gosland, superintendent of liquor control in charge of San Mateo county, said the board had already prepared its case against the establishment, operated by George Kirchhubel.

Referee of the hearing will be Ivores R. Dains.

The board will attempt to prove that the liquor license should be revoked on the grounds that Kirchhubel has maintained a "disorderly" establishment.

Martinico Is Free As Gov. Knight Denies Extradition

Antonio Martinico, former Daly City resident, was filled with thanksgiving today after Governor Goodwin J. Knight Friday refused to sign a New York request for extradition of the 64-year-old immigrant on a 35-year-old murder charge.

Confronted by some 600 letters of reference, many in response to last week's article in THE RECORD, Gov. Knight ruled that, "In view of Martinico's 33 years of law abiding residence in California, I feel the ends of justice would better be served by allowing him to remain here."

Wednesday Martinico and his wife Ruth, 45 appeared before San Francisco municipal judge Leonore Underwood to hear the case formally dismissed before Judge Underwood. "I'm glad it turned out this way," the Judge said.

Now He's Free

As a result of these two official actions, Martinico will not have to stand trial in New York in connection with the 1919 slaying of Antonio Curatola, who was shot outside a cafe operated by Martinico and a partner. Martinico's partner served a prison term for the killing after pleading guilty to a manslaughter charge.

After a hectic two weeks since New York police officers first picked up Martinico in connection with the killing, the well-liked couple are now attempting to get back in the daily routine of life.

Mrs. Martinico, when phoned by this newspaper yesterday at her San Francisco home, was putting out the wash "for the first time in two weeks." She plans to reopen her Geary street sandwich and chile shop Monday.

Back To Work

Antonio went down to union hall yesterday to get clearance to return to his job as an elevator operator Monday.

"Everything's about back to normal now," said Mrs. Martinico, adding that, "We're still going to try to clear his name in New York." Their attorney, Donald Haet, is still conferring with New York officials in an attempt to get to the bottom of the murder warrant served 35 years after the fact.

Commenting on the response of Daly City friends who mailed in letters on behalf of Martinico's character, the devoted couple told THE RECORD today, "Words are inadequate to express our heartfelt feelings and sincere appreciation. We did not know we had so many wonderful friends.

"Our hearts are full with thanksgiving. We only hope that in days to come we can do things for others to justify their faith in us."

Demos Poll High Majority Here; Incumbents Win

Daly City-Broadmoor area voters, with the exception of three positions, registered a heavy vote in the Democratic column in Tuesday's off-year election.

Only Republican incumbents given majorities in the Daly City area, which has a 2-1 Democratic registration, were Governor Goodwin Knight, Lieut. Governor Harold Powers and Secretary of State Frank M. Jordan.

Congressional candidate Harold Taggart scored a decisive 1000 vote margin here over incumbent Arthur Younger, although Taggart was the loser in the total county vote.

In the 25th district Assembly race James Daly, Democrat, was a heavy favorite, polling 4254 to 2969 for incumbent Daniel Creedon.

POLICE CAR IN ANOTHER SERRA MISHAP

Another Daly City police car "bit the dust" Wednesday night on Junipero Serra boulevard 400 feet south of Westlake avenue.

Officer John Van Otten was travelling north on Junipero Serra when a vehicle going the same direction, driven by Hobart F. Sleeper of San Francisco, made a right turn.

Van Otten said the man's automatic signal showed a left turn, and the officer pulled to the right of the car just as Sleeper was turning right.

The police vehicle struck Sleeper's car on the right side, smashing in the front left of the police auto.

Neither driver was injured. Damage to the police car was estimated at less than $100.

Sleeper was cited by police for making an improper turn and an improper signal.

HIT-RUN CAR FOUND BY COPS

A hit-run vehicle was found abandoned this week on Wilson street and was returned to the owner, Donald Messina, 93 Bepler street, who said the auto was stolen from him Saturday night.

About 11:30 Saturday George E. Trimmer, 538 Crocker avenue, said he heard a loud noise in front of his home. Looking out, he saw an auto speed away after striking his vehicle that was parked in front of the home.

On Trimmer's description, police identified the vehicle as the one reported stolen by Messina Sunday morning. Later Sunday police found the abandoned vehicle.

Widening Of Mission Circle Ready For Bid

The council Monday night prepared to call bids on the widening of Mission Circle to accommodate two-way traffic.

The street now handles only north-bound traffic.

The widening project, estimated to cost $35,000, will bring the width of Mission Circle from 24 to 34 feet.

There will also be room for parking under the new dimensions.

Ask Codification Of City Ordinances

Councilman Sanford Vickers requested at a council study session Monday night that all city ordinances be codified, classified and catalogued for ease in handling.

It was suggested that the Coro Foundation might undertake the job.

Dennis Proposes Two-Hour Parking

A two-hour parking ordinance for Daly City areas without parking meters was proposed to the council Monday night by Councilman Edward Dennis.

Dennis complained that many out-of-town motorists were parking all day in areas without meters and thus taking away parking for potential customers in the city's business area.

Mayor Joseph Verducci moved that the parking authority consider the proposal and make a recommendation to the council.

3000 Kids Attend Halloween Parties

Over 3000 children turned out on a cold and foggy Saturday night for the annual Halloween parties sponsored by the Daly City recreation department.

The parties, which ran from 7:30 to 9:30 p.m. featured many varied programs and were sponsored by mothers clubs and PTA groups of the elementary schools. Skill contests, amateur talent shows, costume parades, movies and refreshments were all part of the evenings celebration.

A crowd of 500 high school students attended a dance, sponsored by the Misbehaven Teen Club, at the War Memorial building.

At the O.L.P.H. party Linda Smith was awarded first prize for the prettiest costume, followed by Nadine Mignault and Gene Sirini respectively.

Youth Charged With Car Theft To Superior Court

Raymond St. Charles, 18, picked up with several other juveniles October 16 in connection with a Daly City car theft, waived preliminary hearing yesterday (Thursday) in municipal court and was held to answer to Superior Court on charges of auto theft.

The San Francisco youth entered a not guilty plea last week.

In other municipal court action yesterday, Paul Clement Towns of South San Francisco, pled guilty to drunk driving on Hillside boulevard October 24 and received a 30 day jail sentence, suspended on condition he pay a $250 fine. His license was ordered suspended by Judge Thomas L. Bocci.

Gas, Electric Rate Cut Sought By Hillside Residents

Formal request for lower gas and electric rates was made by Hillside Improvement association at its fifth meeting Tuesday in Colma school.

Members voted to address a letter to the public utilities commission complaining of high PG&E rates and requesting that they be reduced.

The action was taken after John Harness, association president, had reported that Hillside is in the area the utility commission is studying with a view to lowering rates.

The commission survey is due for completion in December.

The association voted a formal complaint to insure that Hillside would be considered in the utility commission's survey.

A Christmas party and program for Hillside children is planned by the group.

Carloss Holmes, vice-president, filed a comprehensive report suggesting committee organization.

Tentatively, it is planned to have Santa Claus at the party, where candy and gifts would be distributed and a program presented.

Hillside Improvement association plans to cooperate with Daly City fire department in the collection of toys for children at Christmas.

It is asking all its members to donate generously.

Toys can be deposited with Mrs. John Solari, 973 Hillside boulevard, or Mrs. Lou Stark, 880 Lausanne street. If anyone has toys and canot deliver them, they are asked to phone PLaza 5-0092 or PLaza 6-2335. Arrangements will be made to pick up the toys. All toys should be in by November 13, so the fire department will have ample time to repair them.

A request that the city place a stop light at Hillside and Mission street was also discussed.

and crosswalks along with channelization at intersections were praised in the engineering phase of the analyses, as was the work of the parking authority.

On the recommendation side of the report, Daly City was urged to take action on the following items:

1. Adopt an ordinance for the traffic engineering phases of traffic control.
2. Aim greater enforcement action at pedestrian and drinking driver violations.
3. Join other Californiia cities in developing support to change existing laws relative to bringing Juveniles into traffic court.
4. Conduct a traffic school for violators and others desiring help in solving their driving problems.
5. Reduce the number of moving violations now being handled by bail and have more cases come before the judge.
6. Expand the driver education and training program so as to reach every eligible high school student.
7. Take steps to set, by executive order, an official traffic committee which will embrace every city department with legal jurisdiction in traffic safety and control.
8. Inaugurate a citizens committee whereby all civic, veteran, business and women's organizations may become a participating group to the building of a more safe community.

Elderly Couple Receive Minor Hurts In Crack-up

An elderly couple received minor injuries Wednesday afternoon when their vehicle struck a cement truck at Junipero Serra boulevard just south of Knowles avenue.

Alfred G. Wallister, 71, and his wife, Elsie, 67, were travelling south on Junipero Serra when the truck, also south-bound, suddenly made a left turn. Wallister couldn't stop his vehicle in time and rammed into the truck.

The Walliser couple were rushed to Junipero Serra hospital for treatment of superficial injuries.

Driver of the truck, William J. Avilo, 26, of Half Moon Bay, was cited by police for making an improper turn.

SF Man Charged With Petty Theft At Machine Shop

Use of fluorescent grease resulted in the apprehension of a 33-year-old San Francisco man on charges of petty theft Saturday.

Leo and Joseph Kusber had told police that during the past week several micrometers, valued at about $74, had been stolen from their machine shop at 60 Werner street.

The owners said that only men working in the shop had access to the micrometers, so Inspector Dave Johnstone and officer John Walsh painted some of the remaining "mikes" with the fluorescent grease.

Leo Kusber hid in the shop to observe the actions of one of the employees, Howard E. Williams, a machine operator.

Kusber said Williams handled some of the equipment on a bench then appeared to have picked up one of the mikes.

Williams then left the establishment and headed out of the shop. Police were waiting for him at School street, where they found the mike in his possession.

Police said Williams admitted taking five of the micrometers.

Williams appeared in municipal court yesterday (Thursday) and pleaded guilty to the theft charge.

Judge Thomas L. Bocci sentenced him to 60 days in the county jail, of which 40 days was suspended. Williams was also fined $150 and placed on one-year probation.

SERENITY OF THE LIBRARY

Meeting jointly with the city council Monday night, the Daly City library commission has brought to public attention what has been an obvious, if not acknowledged, fact for more than five years.

Daly City's library facilities are out-moded, antiquated and so inadequate as to rank Daly City in the very cellar of literary pursuits.

As quoted in this newspaper more than two years ago, a state library representative described the Daly City library set-up one of the "worst in the state," through no fault of the personnel.

A commissioner summed it up neatly Monday night when she pointed to the fact that a city with a population of 24,000 should have a minimum of 36,000 library books to provide for the public's reading needs. Daly City library has 9000 books.

This single comparison should provide more than enough evidence to substantiate the contention that Daly City is way behind the times, library-wise.

Almost as drastic, however, is the need for library space. As it now stands a city of 24,000 persons must be served by a comparative cubicle that would be hard-pressed to handily serve a city of one-third this size.

The commission, a sincere group of citizens who, as they term it, "Can only look ahead and dream," have been hampered by what has appeared to be a lack of genuine interest in the library's needs.

At the same time, the demands for other important facilities in the city have been so keen as to keep the council's hamper full of future projects, with the result that the library, which usually demands the least, gets the least.

As a result of Monday's meeting, we feel that some of the disregard for the library problem may have been replaced by an honest recognition of the arithmetic of facts.

The city will have to start paying attention to the needs of its public library facilities, even if it means that the usual aura of library serenity has to be broken by some tumult and shouting.

Letters To The Editor

Expresses Thanks For Sending Paper

Dear Sir:

At this time I wish to express my deepest thanks for sending THE RECORD the past four years. It has filled in a lot of blank spots of the home town happenings as told to me by my folks and friends.

But, I must ask you to cease sending it to me due to my returning to the "States" and subsequent discharge in the near future.

I will be seeing everyone by Turkey Day.

Library News

Books, pamphlets and magazines are available at the Daly City public library which is open Monday through Friday 10 a.m. to 9 p.m. and Saturdays 10 a.m. to 5 p.m. The library is located at 6351 Mission street—the phone number is PL. 5-0850, ext. 16; after 5 p.m. PL. 5-0505.

Some of the newer pamphlets to be added to the collection are: Your Child From 6 to 12; The Adolescent In Your Family. Both of these pamphlets are publications of the U. S. Dept. of Health Education and Welfare. In the Science In Action script series, programs which are now available at the library are: The Alphabet, Sharks, Oil, Bee Behavior, Work Energy and Power, Wheels and Rails, and Sleep. Many other pamphlets on varied subjects are housed at the library. A special pamphlet file as well as entries in the main catalog will guide you in the selection of this material.

Sports Books

This is certainly the football season, and here, too, the library can supply you with entertaining as well as informative reading. Such books as The Pictorial History of American Sports, Modern Football, Sports in American Life, The Rose Bowl Game, and others will increase your knowledge and understanding of America's second most popular sport. Music and ballet lovers will enjoy Understanding Music, by Newman; Music As An Art, by Wienstock; A History of Popular Music, by Spaeth. If you are interested in the ballet, you could read The Ballet, by Fisher; S. Hurok Presents, by Hurok; or Complete Stories of the Great Ballets by Ballanchine. Those who like to keep informed of current events and politics might like to read The Great Issues of Politics, by Lipson; Japan and America, by Battistini; Age of the Great Depression, by Wecter; Crisis in the Kremlin, by Hindus; Ambassador's Report, by Bowles; But We Were Born Free, by Davis. Inspirational reading will be found in The Gentle House, by Rose; Beyond Indurance, by Walters; Conquest of Fatigue and Fear, T.N.T.; the Power Within You, by Bristol.

A new circuit collection from the San Mateo county library will keep mystery, science fiction and western fans supplied for a few weeks. If you are interested in new books, the following are a few of the title recently acquired:

Steen, The Bulls of Parral; Gann, Soldier of Fortune; Faulkner, The Fable; Laski, Victorian Chaise Longue; Street, Goodbye, My Lady; Soubiran, The Healing Oath; Jennings, Don't Tread On Me; Brick, They Ran For Their Lives; Babcock, Hang Up the Fiddle; Terry, Buccaneer Surgeon; Weinreb, The Sorceress; Seton, Anya; Stone, Love Is Eternal; Gilbreth, Innside Nantucket; Jersild, Child Psychology, 4th ed.; Hyde, Driving Today and Tomorrow; Fingerprints; 50 Yrs. of Scientific Crime Detection; Mason, Complete Book of Small Boats; LeVier, Pilot; Vale, Modern Automotive Engine Repair; Statesman's Yearbook 1954; Poncins, The Ghost Voyage; Out of Eskimo Land; Goggan, Teahouse of the August Moon; Gehman, Murder In Paradise! DeLeeuw, Crossroads of the Mediterranean; Wheelwright, All Is Not Butter; Rosin, The Road To Abundance; Palmer, Mammal Guide; Stevenson, Call To Greatness; Lechler, Sahara.

The Daly City Library also has a fine collection of children's books, and new books are always being added. Mrs. Plummer, children's librarian, tells stories each Wednesday afternoon at 3:30. Recent visitors to the library were Mrs. Koenig's third grade class from General Pershing school, and Mrs. Clark's 5th graders from Crocker school. These classes received special library instructions from the children's librarian and were told stories.

Car Burglars

Using a ¼ inch jimmy bar, burglars took an estimated $65 in clothing from an auto parked at 380 Pierce street Sunday afternoon, Broadmoor police reported.

H. C. Henderson of San Francisco, said he parked his vehicle on Pierce street just off Junipero Serra boulevard and rode into San Francisco with a friend.

When he returned he found the door jimmied and the clothing inside, western shirts and riding pants, taken.

Louis Dove

William J. Hein

George Brooks

RECENT ADDITION of three officers to the Daly City police force brings to 31 the number on the local force. In addition, the council Monday night approved the hiring of another woman clerk to work at the station. New officers are William J. Hein, George Brooks and Louis Dove. Their hiring allows the use of one more man on each of the three shifts.

23rd OBSERVANCE OF EDUCATION WEEK IS PLANNED HERE

American Education Week has been observed annually since 1921, when it was established by joint action of the National Education Association and the American Legion. It has always been observed "for the purpose of informing the public of the accomplishments and needs of the public schools, and to secure the cooperation and support of the public in meeting these needs." This national program is sponsored by the National Education Association, the American Legion, the U. S. Office of Education, and the National Congress of Parents and Teachers.

This year Jefferson Elementary School district has planned a two-way program. Each school will participate in a "get acquainted" tea. This is to enable teachers to meet socially the parents without the children being present. Invitations will be sent out stating the specific time and date. Refreshments will be planned by the individual teacher. Every parent is urged to take advantage of this opportunity to "know her child's teacher" better.

Second Phase

The second phase of the district program is one of public display. Merchants within the four areas of the elementary school district have donated a show window wherein exhibits have been arranged. The object of these exhibits is to contrast old fashioned educational aids with modern educational aids.

The old type school desk and the striking new adjustable desk of the modern school will be seen. Old type visual aid equipment will be constrasted with the extensive modern equipment which is now being used. The old time texts and the modern texts will be among the exhibits. Some of the old texts included date back to the early 19th century. None are dated later than 1928. The above are only a few of the exhibits included.

The displays may be seen in the following show windows:

A. J. Gaggero, 7377 Mission street; Gamble's Western Auto Supply, 2349 Junipero Serra boulevard; 331 South Mayfair; Daly City Drug Co., 6331 Mission street (Top of the Hill).

"One of the most interesting changes of note has been in the teacher," the school district says. "No longer is it possible to detect the so-called "school marm" nor is there any longer any credence in the jocular statement "there are three sexes: male, female, and school teachers." The modern school teacher is academically superior to the old time teacher who was often somewhat less than a high school graduate. Many now possess advanced college degrees. In appearance, the present day teacher is smart, chick, and as sophisticated looking as the successful business woman or socialite. She wears glamour hair-do's and enjoys all the privileges in living granted to all women and lives an normal enjoyable life.

Life With Censure

"In memory the old time school teacher may be contrasted with the new. Her way of life was narrowed by untold limitations, her clothes were a badge of servitude and although she was treated with respect she was never allowed a normal life without censure.

"Way 'back when,' in 1938, the San Mateo Board of Education (composed of the following members: Lester D. Henderson, president; Pansy Jewett Abbott, secretary; George W. Hall; Henry C. Hall; and Andrew Spinas) issued the article which more ably expresses the comparison of the old and the new:"

"THE OLD SCHOOL — THE NEW SCHOOL"

The old school was based upon a very definite philosophy of education. This is also true of the new school. These two schools may be contrasted by asking and answering a few simple questions:

Where does education take place? In a school, replies the old school; in all of life's activities, says the new school.

When does education take place? During childhood, says the old school; all during life, says the new school.

Where does education come from? From books, says the old school; from ordinary life situations, say the new school.

What is education concerned with? Verbal responses, particularly those that can be measured and marked, says the old school; then new school insists that education is concerned with growth—physical, mental and spiritual—growth in appreciation and ability to create.

What is the the child's chief concern? To pass and to be promoted, says the old school; the new school knows neither concept.

What is teacher's main function? To keep order, assign lessons and hear recitations, says the old school; but the new school insists that the teacher be a guide, a friend, a helper, an adviser and a counselor.

My Mad World

By Leonore Brewer

The first copy of the Opera News for the 1954-55 season arrived this week, and although we had only recently enjoyed one of the finest seasons that the San Francisco Opera has ever had, reading over what was done in other pastures made us positively green with envy.

As every opera lover knows, one of the great festivals is that held at Bayreuth, sacred to Richard Wagner. To judge by the pictures of some of the sets used in this season's "Ring" there doesn't seem to be much more on the stage except the bare boards and the singers, illustrating Wieland Wagner's attitude toward overly lavish sets: "If you lack good singers, then you need more rivers and trees to hold the audience's attention."

Since the stage seemed to be bare of all non-essentials, we eagerly glanced through the roster of what must have been sensational singers, and there was the name of Hans Hotter, whose "Wotan" was considered as one of the "memorable portraits" of this year's "Ring."

Most Exciting

A week or so ago we nominated his portrayal of the "Flying Dutchman" as the most exciting performance of the recent season, and at that time drew your attention to the fact that he will open Spencer Barefoot's Celebrity Concerts Monday night, November 8, in a program of lieder, for which he is as noted in Europe as he is for his great operatic roles.

From his repertoire of 350 lieder he has chosen selections by Schubert, Schumann, Wolf, Brahms and Richard Strauss. As this will be his first local recital, we are unable to give you a first-hand opinion of his concert-stage abilities, but we can quote from his New York press which considered him "among the finest recitalists before the public today" with a bass-baritone voice on a "grand-scale yet possessing great sensitivity and intimacy."

His career which has lead him to London, Buenos Aires, Salzburg and numerous other great cities of the world started in Munich, where he served as church organist and choir-master for three years. It was in this city that he made his operatic debut at the age of 21 in the role of the High Priest in Mozart's "Magic Flute."

Leading Roles

Since then he has sung leading roles in such operas as "Tristan," "Fidelio," "Marriage of Figaro," "Meistersinger" and "Die Walkure" to mention only a few, and has also turned his talents to lieder which though less spectacular than opera is no less demanding.

His only local appearance will be at the Veterans Auditorium November 8, at which time the well-known San Francisco pianist Robert Evans will be his accompanist.

NEXT COP VEHICLE TO BE FORDOMATIC

On recommendation of the police commission, the city council agreed Monday night to purchase a Fordomatic drive police vehicle in favor of the standard shift model.

Mayor Joseph Verducci said the city could compare operation of the two models by purchasing one Fordomatic, which costs $165 more than the conventional model.

Order for the auto will be placed out for bid in December.

Vision Screening Program Provided For Jeff Children

A vision screening program is now being provided for pupils of the Jefferson Elementary School district. Thirty-two classes are now being tested by the classroom teachers under the guidance of the school nurses. These teachers had qualified themselves to give the tests by taking a six-hour course given by the school nurses last year.

Children whose tests indicate a visual difficulty will be recommended to their parents for a referral to a health advisor for an examination.

It is to be understood by parents, teachers, and pupils that this testing is merely a "screening" process and while it will detect a large proportion of those pupils who have common visual problems it will not detect every pupil needing eye care, the district said. The school also recommends that children who show symptoms of eye trouble even though passing the test be further examined. Parents should realize that there is no attempt at diagnosing or defining conditions. The school's only concern is that the child performs either satisfactorily or unsatisfactorily where tested. On the basis of this testing, the teacher will refer children to the school nurse who will make further appraisal and contact the parent.

For children whose vision is poor and not correctable there are educational adjustments which can be made in the form of seating arrangements and sight saving books. There are also sight saving classes available for pupils who have the more severe loss of vision.

The California state law has now specified that teachers may test the vision of pupils after completing a six-hour course and receiving a Vision Testing Credential. This course is being given now to 35 first and third grade teachers by Mrs. Betty Boykin and Mrs. Helen Delafield, school nurses. It is planned that the course will be given again in February for fifth and seventh grade teachers. This will assure the first, third, fifth and seventh grades of an eye test in addition to the twelve other grades. It is intended that all teachers will eventually be qualified to test so that every child will be checked every year.

Thank You Awards Go To Members Of N. County Scouts

"Thank you" awards were presented to three members of the North San Mateo County Girl Scout Council at a meeting of Daly City District in Dunk Hall, Daly City. The awards, lovely blue and gold enamel pins, were presented to Mrs. Richard Crane, Mrs. Frances Windhurst and Mrs. Muriel Pabst for continued service to the Girl Scouts for fifteen or more years.

Membership awards were presented as follows:

Ten year pins to: Mrs. John Calvin, Mrs. Hilda Heagney and Mrs. Muriel Pabst.

Five year pins to: Mrs. Mary Larson, Mrs. Lillian Klingler, Mrs. Dorothy Carr, Mrs. Alice Strubel, Mrs. Jean Brugge, Mrs. Dorothy Jones, Mrs. Mary Calairo, Mrs. Marie Rentsch and Mrs. Alan Mori.

Peter Markovitch, member of the finance committee of North San Mateo Cunty Girl Scout Council, was invested as a member of Girl Scouts and presented with a membership pin.

The award ceremony was conducted by Mrs. Hilda Heagney and Mrs. John Calvin.

Mrs. Alan Mori, district chairman, presided at the business meeting prior to the award ceremony. Coffee hour concluded the evening.

N. County Scouts Return From Confab

Delegates from North San Mateo County Girl Scout Council returned Thursday from the Regional Conference of Girl Scouts of the USA at Asilomar, Pacific Grove.

Theme for the conference was "Room for One More," which was a most timely subject with our rapidly growing population in this area.

Delegates attending were: Mrs. Frank Burke, president of the council, Mrs. Floyd Huff and Senior Scouts Barbara Bowman and Charlene Taylor.

When is education completed? At graduation, says the old school; never, says the new school.

JAY-WALKING IN IN HOLLYWOOD

Sidney Skolsky, the well-known Hollywood columnist got a jay-walking ticket the other day.

Skolsky had quite a rough time of it. He doesn't drive and consequently hasn't got a driver's license. When the cop asked him to produce it as identification and he was unable to do so, the officer interpreted this as "being funny."

I understand just how Skolsky felt because I too got a jay-walking ticket on Hollywood Boulevard a month or so ago. A crowd collected as the heavily armed officer wrote it out for me and I felt lamentably conspicuous. Of course it was completely undeserved. But before I recite the fascinating details, let me finish with my famous competitor.

Asks Social Security

Irritated by the columnist's inability to show a driver's license, the cop demanded Skolsky's social security card. Either Mr. S. doesn't have one or didn't have it with him. And when he searched his wallet for some kind of identification all he could find were cards from people who hoped he would mention them in print and wanted him to spell their names correctly.

I don't know if Skolsky paid his fine or not but I'm sure of one thing. I had to pay mine.

I was thinking of demanding a jury trial and making a big case out of it but ran into so much red tape down at traffic court that I decided it would be simpler to cough up six dollars and let it go. I wasn't even trying to cross the street when one of the hawkeyes nabbed me, but was merely stepping from the curb to the safety zone to catch a bus.

Skolsky and I weren't the only ones to enrich the coffers of the municipal traffic court. A group of us were sitting around in a Vine street bistro the other night discussing the take from minor traffic violations and it seemed as if everybody present had contributed.

Ok When Wrong

Consensus was that they didn't mind paying when they were in the wrong. What riled them was the indignantly self-righteous attitude of the officers who wrote the tickets.

There is something sad about the psychological metamorphosis some of our cops undrego. They come on the forces as ordinary young men, a little huskier than most and with perhaps a little more physical courage than the average.

After they've been wearing a gun and a blackjack and a badge for a brief period many of them seem to develop persecution complexes.

Any innocent driver who makes a questionable left turn risks being regarded as a personal enemy who is deliberately antagonizing the officer with malice aforethought. One of them charged up and read the riot act to an offending acquaintance of mine as if he were the lowest form of human life, instead of an ordinary citizen who got confused by the confusing question of who had the right of way.

Frustrating Aspects

No doubt there are many frustrating aspects to a police officer's life. Too often the usual public reaction to him varies between self-consciousness and fear, for he brings to the surface the guilt feelings that lie buried in even the most law-abiding of us. If he is the normal sort of fellow who prefers to be treated with polite friendliness rather than nervous correctness this public attitude probably becomes painful to him in the long run.

The tribulations of policemen and their occasional maladjustments were brought dramatically to life in "Detective Story," the Sidney Kingsley play which currently is enjoying a revival in Hollywood.

I caught the opening last week at the Carousel Theatre, just about the time that Mr. Skolsky was collecting his jay-walking ticket, and of the two of us, I'll bet I had the better time.

Strongly Cast

The Carousel production was strongly cast, with excellent performers in most of the parts. The neurotic Detective McCloud was bullying and tortured, the shoplifter was frightened and funny, the lieutenant was patient and resourceful, the detective's erring wife was beautiful and the others were believable, right through the long list to the stir-crazy criminal Charlie, played in hair-raising fashion by a friend of mine named William Bagdad.

I had seen the movie version with Kirk Douglas as the detective who felt himself to be the law's avenging angel and a personal enemy of crime and criminals. Better than the movie, the play brought out the psychological roots of this twisted concept. Detective McCloud, it developed, didn't hate criminals so much as he hated his dead father and himself.

Came In Late

When I saw the movie I had failed to note the credits for writing the play. Perhaps I came in late, or maybe somebody rose in front of me just as the writer's name was flashed on the screen.

After the play's performance I remarked to some of the cast that I felt sure a veteran police reporter had written it. There was in it too much honesty and realism and acute observation for a casual dramatist to turn it out, I said. They assured me that it was a professional play-writer, Sidney Kingsley, who was responsible but I remained skeptical, thinking perhaps he had collaborated with some newspaperman to get the apt details.

A few days later, during the above mentioned discussion of traffic tickets, I tossed "Detective Story" into the conversation and new light developed.

An actor friend who appeared in off-Broadway productions before coming to Hollywood said that Kingsley got his material at first hand. For six months, he said, Kingsley had lived in a precinct station in Manhatten, answering calls, riding in squad cars, listening in on bookings and questionings, picking up the turns of speech and bits of business that give his play the air of complete versimilitude.

Common Gossip

The way the actor learned about Kingsley's research was that it was common theatrical gossip at the time. He said actors who were suitable physical types for detective and criminals were angling to get parts long before the play was completed.

Although I enjoyed "Detective Story" as a play, it left me with ambivalent feelings about the philosphy of violence it justified. It's true that the play expounded the idea that justice should be tempered with mercy, and I'm all for that. But the excessive gun play reminded me of the big black revolver that dangled from the hip of the officer who wrote out my traffic ticket.

Can it be that they do these things better in England? There, I understand, the ordinary bobby doesn't carry a gun and his relations with the people he is protecting are reported to be much more friendly.

RULES FOR MOTORISTS

1. Slow down. Don't regulate your speed by posted limits alone. Remember, speed must be governed by conditions, and darkness is a condition that calls for caution.

2. Have your car checked frequently. In darkness, immediate response of the vehicle is a must. Double-check your lights.

3. Be alert. Keep a constant look-out for pedestrians and for vehicles with dim lights or no lights at all.

4. Don't wear tinted glasses at night. The advantage they offer in cutting glare is more than offset by the disadvantage in reduced vision.

5. Use headlights properly. Use upper beam only on rural highways when no aproaching car is within 1,000 feet. Use lower beam when oncoming cars approach, when you are overtaking another car, and when driving in cities and residential areas.

6. Dim your lights even though an oncoming driver fails to dim his. Trying to get even by blinding him is risking your neck. Maintain control of your car by looking at the right shoulder of the highway.

7. Be sure all lights on your car are turned on before you pull onto a thoroughfare at night.

8. Never stop on the travel portion of the highway at night. If you must stop at night, pull completely off the road, leaving parking and dome lights on. Carry flares for use in emergencies.

Remember—In 1953, 55 per cent of all fatal accidents occured at night, 45 per cent in daylight.

Propose Five Acre Annex In South DC

A five-block annexation in southern Daly City was proposed to the city Monday night in a study session by Ricco Lagomarsino.

The council called on Engineer Edwin Smith to prepare the bounds and descriptions of the property within a week so that the property might be annexed in time to put on the tax role for 1955.

The area up for annexation lies between Price and Market streets east of Abbott.

City Administrator Dan Andersen, Smith and Lagomarsino were scheduled to meet yesterday (Thursday) to discuss the annexation.

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

Here we are again starting another new month. This one really starts of fthe holiday season plus a few extra days off of school for the kids. Last Saturday the youngsters started their Halloween festivities and being that the real day was Sunday they had to go out again although not in such forces. The kids seemed to have a lot of fun and damage was held to a minimum so a good time was had by all.

The boxing show sponsored by the MEN'S CLUB of O.L.P.H. Parish which was held at the Community Center last week was really a huge success. There were nearly 700 people there and they all enjoyed the show. The Men's Club would like to thank the Daly City police department both regulars and auxiliary for their cooperation during the evening. They really worked things in a fine and friendly manner. The next show will be held in the first week of December and if you missed this one be sure and get your ticket for the next one as it promises to be a big evening.

Grandma EDNA CRUZ of Mission street is most unhappy these days. Her daughter SYLVIA HILL and grandson ANTHONY have packed their duffle bags and taken off to Los Angeles to live with father DON who has been working there for the past two months. He finally found a place for them to live and they drove off happy to be together but sad to have to say goodbye to all their friends here.

Items of Interest

Having a birthday this week is a very nice young lady, MISS MARY ANN ARNAUDO of Willits street. This time she will be eleven years old and will celebrate the occasion with a party attended by many of her friends and of course her family. Happy birthday, Mary Ann, from all the folks too. It is always so nice to watch little girls grow into big girls and finally they are youngsters no more.

One of the most avid of travelers has gone and done it again. MRS. CLARA SCALLY flew to Los Angeles over the weekend just to visit some friends. After having a most enjoyable time she motored back and is now home and the rest of the folks are wondering just where she will be headed for the next time.

Congratulations are in order this week and are most heartily extended to MR. and MRS. LARRY ROMERO of Willits street. The occasion is the celebration of their twentieth wedding anniversary. All their family and friends gathered to wish them many happy returns and the same goes for all the rest of the folks too.

Here is a date to most definitely be kept in mind. NOV. 17-19—the even, a three-act comedy put on by the JEFFERSON HIGH SCHOOL DRAMA CLASS. The name of the play is JUNIOR MISS and the director is MISS SEATON the drama teacher at Jeff. Among those appearing in the play will be TONY TAPIA, RAY NAVARRA, DIANE GIACCINO, PAUL GUARAGLIA, SANDY DOLMAN, BOB STONE and others. Tickets may be had by phoning PL. 5-2674 or PL. 5-1192, at the door of Jeff on either Nov. 17 or 19, or from any student of the Jefferson Drama Class. From what I hear if the advance sale is large enough they will present the play again on Wed., Nov. 17, at 8:15 p.m. which is curtain time also for the other two regular performances. This really sounds good, folks, why not back up the kids and have an enjoyable evening at the same time. By the way there are only 250 tickets left so you had better hurry and get yours.

Several of the ladies of the town took a trip down the peninsula the other day. Reason? To visit one of their former friends and neighbors, MRS. HELEN BLACKSTONE and to spend the day with her at her new home in Hillsborough. They had a nice luncheon and gabfest and then returned home all hoping that some day too they may join their former neighbors in the sun.

Having a birthday last week was MRS. MARY HENSELY of San Diego avenue. She celebrated hers with the help of MRS. SHIRLEY MILLER and MRS. ALICE COMBS both of Los Olivos avenue. The ladies all took the evening off and went out for dinner at Fisherman's Wharf. Happy birthday, Mary, and lots more of them.

Servicemen

Another of the boys has joined the Service. That popular young man and well-known Jefferson athlete, JOE LEWKOWITZ JR. is now a member of Uncle Sam's Air Forces. At the present moment he is in basic training at Parks Air Force Base but hopes to get a pass home on Nov. 14th when he will be able to say hello to all the guys and gals he left behind. Joe has several more weeks to spend at Parks and then he will be transferred to another base and if I know anything about it—just as far away from home as they can get him. Oh well, it's one way of seeing the world for the boys.

EX-STAFF SGT DALE PAISLEY of the U. S. Air Forces, who is now a civilian again, has moved to Lafayette with his family. They were living for awhile in Oregon so this move pleases grandma GRACE HILL immensely. She has more fun with her grandchildren than can be put in print. Needless to say the kids really enjoy going to see grandma too.

Heard from the U. S. Marine Corps today. This time it is really from an old friend whom I first knew as a very small boy who used to live across the street from me many years ago. MASTER SGT. BILL GROFERER and his family are now stationed in Honolulu where they will spend the next two years. They really like it there and who can blame them.

Went to the post office today for information as to Christmas packages for the fellows overseas. Here it is—Nov. 15 is the deadline if you want them to get there before Christmas. They can weigh 70 lbs. and must not be more than 100 inches in girth plus length. The postmaster says to please tie them securely so that they won't have to send you home and also that they will be received in good condition. Remember to check the address and especially the APO number as that is most important. Address it on both sides and use heavy enough twine. Even then he said to keep your fingers crossed that it gets there on time so from that I take it that the sooner the box is sent the better.

News and Views

A lunching we will go! Getting rather bored with the same old routine last week and taking off for the day to a grand luncheon given by MRS. ETHEL BARSTEIN of Vista Grande avenue were some of the neighbors. Among those who really had a grand time were Mesdames—DOLLY LEWKOWITZ, MARY ROMERO, PAT ARNAUDO, MARGE LYNCH, DOLORES WARREN, VIRGINIA TABAREZ, EVE LANE and CLARA SCALLY. Sounds like fun' doesn't it folks?

Want some place to go to have some fun today and tomorrow and yet have the proceeds go to a chaitable cause? The Eagles Aux. 1848 are having a Bazaar to be held in the Eagle's Hall. The event starts at 1 p.m. today (Friday) and runs until midnight. Tomorrow things will be in full swing all day with a social in the evening and music furnished by the Eagles Band for anyone caring to go dancing. Among the many booths to attract attention will be food, doll, needlework, rummage, candy, and apron booths. The highlight of the evening will be a leg contest for men and women to be held at 10 p.m. and that really should be something. The proceeds from this affair are to be used for Thanksgiving and Christmas baskets so if you want to have fund and at the same time help someone else — GO TO THE BAZAAR.

A very tiny young lady had a long awaited birthday a week ago. MRS. HELEN STEWART who is all of four feet something has reached the age of twenty-one and is really proud of the occasion. Many happy birthdays Helen, from all the rest of the folks who just wish they were twenty-one too.

The Halloween Party held at O.L.P.H. Parish Hall last Saturday night was a success from all standpoints. They held the usual parade for the children in costume and some of them were really something. In the six years and under group the following children walked off with the prizes. PRETTIEST—LINDA SMITH as Carmen MIRANDA, NADINE MEGNAULT as a fairy queen and GENE SERINO. In the Original group — DAVID BRUSH as a clown, DANNY PANELLA as a clown and MARK PANELLA as Superman. The prizes for the funiest costumes were taken by ROSE ANN CECCHI, RICHARD WEIBLE, and BOBBY SUTTER. In the seven years and over group the prettiest was won by PAT VINAL as a fairy, EMMA HALE as a chinese girl, and ANDREA DURING as a Chinese girl. In the original group DONNA ALMADA as a cave girl, DENIS POWELL as a little girl and GARY CINTO as a tramp took the prizes. In the funinest group ROSS MULLER as a tramp, CARAL LEE as an old man, and RONALD SANDERS walked off with the prizes. It was really quite a job for the judges as all the kids were decked out wonderfully. One thing, the judges didn't have to decide the final votes as that was by popular acclaim.

Well folks, another week's news is now in your hands and by this time I am already getting more for you. Some of this is rather newsy but that is how some weeks go. Remember the phone is still PL. 5-6482 and I'll be waiting to hear from you. Until next week then, 'Bye now.

Auxiliary Whist

Daly City Unit No. 410, American Legion Auxiliary, will hold a Turkey Whist at the Masonic hall, Wednesday evening at 8:30 p.m. Everyone is invited. Prizes are offered.

Plans are being made for the Christmas party to be held December 18 jointly with the Daly City Post in Legion hall.

Query Part-Time Workers In Nation Wide Job Survey

Special questions on part-time workers will be asked in addition to the usual inquiries on employment and unemployment in the November Current Population Survey, according to District Supervisor Jack W. Traverse Jr., of the U. S. Census Bureau's district office at San Francisco. The survey will be conducted locally and in 229 other sections of the country during the week of November 15.

The purpose of the special questions is to provide information on the number of people who work part-time, the reasons for their short hours, and how many want and could accept full-time work. Similar questions asked in connection with the August Current Population Survey revealed that seven and a half million nonfarm workers reported working less than 35 hours during the week of August 15. This number included one and a half million workers in regular full-time jobs who were idle part of the week because of slack work or other economic factors. An additional one million held regular part-time jobs but wanted and could have accepted full-time employment. The remaining five million preferred part-time employment or were unable to accept full-time jobs.

Current Population Survey interviews in this area are conducted by June M. Steiner of San Francisco.

PTA HALLOWEEN PARTY AT BAYSHORE BRINGS OUT MANY

Bayshore PTA annual Halloween carnival on October 29 brought out ghosts, witches and goblins by the dozens in the Bayshore school auditorium.

Main attraction of the day was the parade in which the children competed for prizes for the best costumes. Each grade received a prize for their representative showing the most originality.

Bayshore PTA held an executive board meeting October 28 in the teachers lunchroom, and decided to meet in the school auditorium later that evening to decorate the Halloween booths in preparation of the carnival.

Mrs. Wayne Liebert, Bayshore PTA president, congratulated Mrs. Walter Phillips upon the manner in which she had planned the carnival as chairman.

Jeff High Students Get 2-Day Holiday

Jefferson Union High school students will have a two-day holiday between the first and second quarters this year.

Because Armistice Day, now known as Veterans' Day, November 11, falls on Thursday, the school board has designated Friday as a holiday also. The quarter ends November 10 and the students will received their report cards Wednesday, November 17.

NEWS FROM THE COLMA SCHOOL

Mrs. M. Clarke
5th Grade

Mike Ramsey, Cheryl Walter, Liliane Villias and Jeff Paulding have been making a Thanksgiving Day mural.

Our class has reached the 100 per cent goal, but have decided to continue to bring in PTA memberships and are looking forward to the party to be given to the class by the PTA.

We are interested in science and really enjoy the Thursday morning broadcast. We've learned about snakes, lizards, turtles and the black widow spider.

Toady we visited the library. Mrs. Plummer told us three stories. We jumped when she came to the end of one of the Halloween stories.

Mrs. V. Hawkins
4th Grade

The one and only fourth grade at Crocker school has launched its social studies project this year with plans for excursions to points of historical interest in San Francisco. Their first trip will be to Mission Dolores on November 19.

Gary Hartman, one of our ingenious youngsters, made several Indian tools fashioned after those of the early California Indians. This has brought the history much closer to the class.

The fourth grade is especially intesrted in the Red Cross drive this year. Every child is contributing as much as possible.

BETHEL DRILL TEAM TAKES ANOTHER FIRST

The Bethel No. 198 drill team marched off with another honor last week, when they took first place in the Clement Street Merchants parade.

Under the direction of Captain Phylis Blackburn, the team also took top honors in the Santa Clara Columbus day parade last month.

A wiener roast is planned this Saturday night by the organization at the San Francisco beach. Members and friends are invited.

Gamma rays are emitted by soil and rock in quantities about 100 times as great as are alpha and betta rays.

Legion Post 410 Sponsors Scouts

American Legion Post 410 this week announced the sponsorship of Scout Pack 249.

In conjunction with the announcement, the Post put out a call for persons interested in working as Scoutmaster. Experience is not necessary, the Legion said.

The Pack meets Monday at Bellevue hall, starting at 7:30 p.m.

Persons interested in scouting work may contact Kermit Winn, JU. 5-4704.

Approve Hiring Woman Cop Clerk

Hiring of one more female clerk to work in the police department office was approved by the council Monday night.

Recommendation on the hiring was made by the police commission, who said that at present a regular policemen must stand by at the station to do clerical work.

The council also discussed hiring a bonded civilian to collect money from the parking meters. Police officers now handle this job.

Handymen earn $$ from extra work with a classified ad.

OCEAN VIEW MOTHERS HOLD SOCIAL EVENING

The Ocean View Mothers club will have a social evening with refreshments next Wednesday evening at 8 p.m. at the Ocean View Center, Capitol and Montana streets.

Election of officers will be held at the regular meeting on the same day at 10 a.m.

Village Notes

By Martha Pinney

87TH STREET — Dorothy Swoverland celebrated her birthday November 2, by entertaining Precinct No. 2 election board of Broadmoor in her home. No garage for these lucky election officers, as usual, when Dorothy's home is used for a polling place. The party broke up at about three a.m. Nov. 3rd, and a wonderful time of "tallying" was had by all.

Mr. and Mrs. Lawrence Singer have sold their home and are moving further down the peninsula. Friends and neighbors will miss them, but hope they will be very happy in their new home.

Colleen Brugge entertained several of her schoolmates at a Halloween Party on Oct. 30.

WASHINGTON — Claudia Frye was four years old on Saturday, October 30th, and entertained several of her friends at a party. Those who enjoyed the party festivities were Nancy Mitchell, Pamela Alexander, Mike Johnson, Donnie Peters, Craig Dalzelle and Kevin and Christene Terry.

Mr. and Mrs. Elvis Brown's 16 month old baby underwent quite a serious operation Nov. 2nd. Friends and neighbors are wishing her a speedy recovery.

Karen Brehm and Ronie Krawetz were joint host and hostess at a Halloween party Sunday, Oct 31. Everyone came dressed in costumes befitting the occasion, those who attended being Janet LePine, Michael Cheda, Shirley Smotherman, Richard and Jimmy Lair, Dona Dennis, Kenny Magoon, Buddy Hess, John Guz, Terry Christman, John Hess, Gene Luttringer, Bobby Goodwin, Gary Tivis, Connie McHugh and Andrea Deering.

GILMAN — Sgt. and Mrs. Nicholas L. Mikolich have sold their home and are moving to the Los Angeles area. Sgt. Mikolich has been transferred to the ROTC teaching staff at Loyola University.

Reverend Roy Milam's family is in Kansas City, called there by the death of Mrs. Milam's brother.

Cliff Warner and George Skelton from Capistrano Beach, went to Red Bluff for a "last chance" hunting trip on the last day of the deer season. Both men were rewarded, but everyone in Cliff's household was especially proud of his "four pointer."

LOUVAINE — A family dinner party was held November 1st, in honor of Petty Warmouth's second birthday.

BEECHWOOD — Allen Heskett was celebrating his fourth birthday a few days ahead of schedule on Sunday, Oct. 31, so that mother could combine a Halloween get-together for Eddie too. Allen entertained his little friends in the afternoon. Guests were Ronnie and Larry Baker, Carla Herrera, Braun Adam, Sheri Kellogg, Vickie McClean, Kay and Jimmy Anderson, Tommy Johnson, Linda Bastedo, Mike Lair, Gerry and Kip Moore. Then brother Eddie entertained his friends at dinner at 6:30 and a Halloween party after. Guests attending were Ronnie Rose, David Peebles, Dimi Kellogg, Bill Savage, Mike and John Mullen and Donald Clemmons.

MANILLA — Mr. and Mrs. Edward Lino of Honolulu are visiting with Mr. and Mrs. John Silva. The Lino's have had quite an extensive trip through the United States for the past seven months, and will be here until after Thanksgiving.

Mr. and Mrs. John Eilva journey to Los Angeles the weekend of October 23rd to complete a family gathering honoring Mr. Silva's neice, Mrs. Caplas. The Caplas family is leaving for Europe for three years, where Mr. Caplas will be serving our government.

MIDWAY — Mrs. Anna Pederson of Omaha, Nebraska, arrived Saturday, October 30, to make her home here with her daughter and family, Mrs. Alice Travinsky.

Mrs. Ruth Steward was hostess at a jewelry party on Friday, October 29th. Those present were Hazel Eagleton, Alice Travinsky, Vi Zaitz, Betty Smith and Kay Mattson. Several Broadmoor residents and former residents journeyed to Millbrae Thursday to a luncheon given by Mrs. Ilene Locke, who was also a former resident. Those who attended were Jean Proctor, Alice Travinsky, Kay Mattson, Katy Droullard, Marion Fish, and Pat Mattson.

A PREVIEW of Sunday's Third Annual Fashion Show to be presented by the Holy Angels Women's Guild is given here by five of the models. At left Mrs. Frank Malcewicz displays a Carolyn Schnurer wool camel's hair daytime dress, while seated is Mrs. Russell Cunningham attired in a Lanz Original daytime dress of imported Austrian print. At right modelling a Lanz Originay cocktail dress is Mrs. Richard Collins, model chairman for the show. Junior-size fashion plates are Pamela and Ronald Caserza. Pamela wears a pale blue nylon dress by Youngland, as her brother sports an IMP original Eton suit. Children's styles are from Westlake's Lass and Laddie while dresses are from Westlake Fashions.

CDA Members Are Invited To Rites For New Court

Members of the Catholic Daughters of America throughout the state are cordially invited to attend the ceremonies of the institution of a new Court in Ocean Beach, of the San Diego Diocese. The event will take place on Thursday evening, November 11 at 8 p.m. at Ocean Beach Women's club, 2160 Bacon avenue, Ocean Beach, according to an announcement made recently by Mrs. Milton Weckerle, Daly City, state regent of the Catholic Daughters of America.

The officers of Court St. Rose of Lima, No. 1438, will exemplify the ritualistic work and will act as hostesses to the many dignitaries and distinguished guests. Mrs. Fred Thompson, 2029 Sunset Cliffs boulevard, San Diego, is the general chairman of the evening. Reservation should be made early to assure adequate accommodations with Mrs. Thompson.

The Catholic Daughters of America is a national organization, with courts located in Alaska, Canada, Cuba, Hawaii and Poerto Ricco, representing a membership of approximately 300,000 seniors and 20,000 Juniors. The new Court will be the 113th in California. The Golden state ranks in the three top spots of the number of Courts with 15,000 senior members.

Hillcrest Druids Membership Climbs

Hillcrest Circle No. 143, Druids, has announced completion of a successful term with a gain of membership. Another initiation will be held at the regular meeting Monday.

Several affairs are being planned for the coming term. The first is a Christmas party to be held Monday evening, December 13.

The regular whist will be held Monday evening, Nov. 22, with Mrs. Barbara Van Buskirk and Mrs. Angelina Serini chairman. The public is invited. Mrs. Victorine Lombard is arch druidess.

Old Glory Holds Whist On Tuesday

A special whist party will be given by Old Glory Auxiliary No. 2044 at Little Italy hall on Tuesday, November 9, at 8:30 p.m.

The hall is located on Mission street across from the Daly City theatre.

Refreshments will be served and valuable awards will be made. Mrs. Marie Gehrig is chairman of the affair.

INITIATE TWO NEW MEMBERS INTO EAGLES AUXILIARY

At the last regular meeting of the Eagles Auxiliary the newly elected officers initiated into the Auxiliary Martha Harrison and Barbara Thorson.

The madam president Mildred Dunne introduced to the newer members Mrs. Loren Gardner and Mrs. Dora Black and she thanked them for sitting in as grand worthy officers.

Mrs. Lorene Gardner is a past president and Mrs. Black was the organizer of the Eagles Auxiliary. The officers and members who were present expressed pleasure to see Mrs. Gardner and Mrs. Black again.

The madam president also thanked Dolores Warren who was the installing officer and all else who helped to make the installation a success. Frances Nenstiel made a presentation of a bouquet of red roses to her daughter the Madam President Mildred Dunne.

CUB PACK 62 TO OFFER CARNIVAL

Next Friday Cub Pack 62 will present their second annual carnival to be held at Bellevue hall, beginning at 8 p.m.

Prizes, games, food sales, and concessions will highlight the evening's activities.

Proceeds from the event will go to Cubs' Christmas party. A total of 44 Cubs will take part in the carnival presentation Friday.

Relatives and friends of the Cubs are invited to attend.

Chairman of the carnival is Maude Calvin.

O.L.P.H. Bazaar Planned For Dec. 5

Mrs. Catherine Ricci, president of OLPH Mothers club was appointed chairman of the Annual Christmas bazaar, which will be held on December 5 at the school.

A full day of activity is planned and all proceeds will be donated to the school and children funds.

Mrs. Ricci recently announced the addition of a "plant booth." Under the chairmanship of Mrs. Diva Angelot, many types of flowers and plants will be on display. Mrs. Carmen Reyes will assist Mrs. Angelot.

Good news to the housewives who may want time off from cooking chores that day, is the announcement that a turkey dinner will be served.

Mrs. Betty Traynor, who was chairman of this event last year, stated that she will do her best to accommodate everyone this year. At the last bazaar, so many people took advantage of the wonderful dinner the food ran out early. An enchilada dinner will be served also. The enchiladas will be made by members of the mothers club.

Dinners will be $1.00 per plate and 50c for children. The complete menu and the names of committee members will be announced later.

Mrs. Dorothy Carrington and Mrs. Dolly Lewkowitz are chairmen of the investment committee.

Several other booths and committees are in the planning stage. Also, many useful articles wil lbe on sale.

Buoyant Comedy "Junior Miss" Jeff Presentation

"Buyant, giddy and funny," exclaims the New York Times of the Broadway smash hit, "Junior Miss," which is to be presented in the auditorium of the Jefferson Union High school the evenings of November 17 and 19, beginning at 8:15 p.m.

Tickets for the play, which will be presented "in the round" rather than on the stage, may be obtained for 50c from any member of the cast or at the door the night of the performance.

"Junior Miss" is the story of a very romantic young lady of freshman age, Judy, who will be played by Laura Robinson. Judy and her best friend, Fuffy, played by Margaret O'Brien, are convinced that Judy's father and his secretary are madly infatuated with each other, and that her mother is going to be made to suffer.

The solution to this problem is witty and charming and makes "Junior Miss" a must-see play for all.

Other members of the cast are Diane Giachino, Tom Mays, Bill Clark, Jim Rector, Ray Navarra, Simone Goldhirsch, Paul Guaraglia, Sanda Dalman, Judy Dominco, Gayle Robinson, Bruce Freeland, Tony Tapia, Art Gamon, Bob Stone and Steven Rouprich.

Forty per cent of the film rental receipts of the motion picture industry comes from foreign rentals.

What's new with Chevrolet?

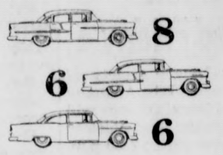
everything!

And look what you see from the driver's seat

Chevrolet's new Sweep-Sight Windshield curves around to vertical corner pillars, giving you a wide, full view. And you can see all four fenders from the driver's seat!

Wonderful new Glide-Ride Front Suspension

New spherical joints flex freely to cushion all road shocks. New exclusive Anti-Dive Braking Control, assures "heads up" stops.



New Outrigger Rear Springs

Rear springs are longer—and they're attached at the *outside* of the frame. This means they're spaced wider apart, outrigger-fashion, to give you greater stability in cornering. And Chevrolet's new Hotchkiss drive cushions driveline shocks through the rear springs!

Even Air Conditioning, if you wish

Air is heated or cooled by a single unit that fits compactly into the front of the car. Requires no trunk space! (V8 models only.) And that's only one of the wonderful extra-cost options you can get!

Great new V8—two new 6's

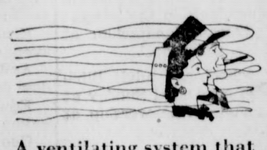
New "Turbo-Fire V8" delivers 162 h.p. with an ultra-high compression ratio of 8 to 1. You can choose from two new 6's, too—the new "Blue-Flame 136" with Powerglide (optional at extra cost) and the new "Blue-Flame 123."

Three drives, including Overdrive

There's Powerglide teamed with the new V8 or the new "Blue-Flame 136." New Overdrive teamed with the new V8 or the new "Blue-Flame 123." (Powerglide and Overdrive are extra-cost options.) New standard transmission, too!

Easier steering, stopping, clutching

The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Pedals pivot at the top.



A ventilating system that really works

Chevrolet's new High-Level Ventilating System takes in cleaner air at hood-high level—away from road heat, fumes and dust.

Tubeless tires as standard equipment

On all models! Proved tubeless tires give you greater protection against a blowout . . . deflate more slowly when punctured.

. . . and Chevrolet's got that long, low "let's go" look

It's a show car from the word go! Longer looking—and lots lower. There's plenty of glamor inside, too—plus more room for hats, hips and shoulders!

The Bel Air 4-Door Sedan

Chevrolet and General Motors have started something—a whole new age of low-cost motoring—by taking a whole new look at the low-cost car. Here are new ideas, young ideas . . . and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

This is the car that began with a great idea—the idea that a low-priced car *could* be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars.

This is the car that only the world's leading car builders—Chevrolet and General Motors—could have built. The *Motoramic* Chevrolet!

Come in and see how the Motoramic Chevrolet for '55 is far more than a new model. It's more, even, than a completely new car. It's a whole new idea *about* cars!

Come in and meet the motoramic **Chevrolet**

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read I Corinthians 3:9-17.

Christ . . . loved the church, and gave himself for it. (Ephesians 5: 25.)

The church Christ loved is everywhere. At the end of a sandy road in Mozambique I found it. I guided the car between trees over what coud not be called a road. When I came into the clear, there the people were under the coconut palms. A much beloved pastor was in their midst. His wife is teacher of the week-day school of religion. Their daughter led the children in choral speaking of the Scriptures and songs for the service.

Two hundred of their tribe had gathered. They were enthusiastic in song, bright-eyed as they listened. They smiled as they listened. They smiled as they brought forward their home mission offerings to spread the church to those on the border of their tribe.

The building was made of palm branches tied on an open shelter. There were no beautiful windows or pictures, no organ or central altar. But there was the church—people dedicated to God and in fellowship one with another, and having a part in the saving of the world.

PRAYER

Dear Father, we ask that through us Thou mayest bless Thy church. Help us to see its true meaning in the worshiping, serving fellowship. We give ourselves not that its buildings may be great, but that we, its people, may be true. In the name of Christ. Amen.

THOUGHT FOR THE DAY

What can I do today for the church I love?

SM College Adult Center Schedules Five New Classes

The Adult Center of the College of San Mateo has scheduled five classes to open during the month of November. These include classes in Beginning and Advanced Knitting, Horticulture, Flower Arrangement, and a proposed class in Social Security.

The Beginning class in Knitting begins on Tuesday, November 2.

Beginning on Monday, November 8, a six meeting class in Horticulture will be presented by Mr. Burton Edwards. Meeting on Monday mornings from 10 to 12 a.m. at the Fiesta Building, the Horticulture class will give basic information to the home gardener. On Wednesday, November 10, a series of four meetings in flower arrangement and color will be taught by Mrs. Marjorie Deverel. These classes will meet from 9:30-12:30 a.m. at the Fiesta Building also.

Scheduled for Monday, November 15 from 7:15 to 9:15 p.m. a class in Social Security will open if sufficient interest demands such a class. The 1954 amendments to the Social Security Act add new job categories to coverage.

A registration fee of $1 will be charged for each of these classes.

COLMA CLASSROOM PREPARING FOR EDUCATION WEEK

Room 81 of Colma school is now reviewing addition, subtraction and multiplication of fractions and mixed numbers, the faculty reports this week.

The youngsters are using practical objects fond in the home, such as cakes and pies, to measure.

Social studies exhibits are being made with papier mache, cardboard, and murals. These exhibits are being made for the project on early man and his world.

The art work of the class is based on zigzag, straight, wavy, broad and thin lines.

The science club is at present experimenting with food and moulds. This week the entire class in groups will arrange exhibits of food. Some of the children are bringing small portions of food for display purposes; others are doing research on the agricultural source and transportation by going to various markets, farmers and grocers for additional information. The exhibit should be completed by Friday.

The work will be on exhibit in time for American Education Week observance next week. All parents have been welcomed to come and see the projects.

"THE GIFTED CHILD" JAMES L. SNELL TOPIC NOVEMBER 10

"The Gifted Child" will be the topic of an address by Robert Hayden, school principal and chairman of the Castro Valley Gifted Child program. Hayden will speak at the next unit meeting of the James L. Snell PTA on Wednesday, November 10, at 8:15 p.m. at the Garden Village school. The meeting will feature the special education committee, of which Mrs. William Merchant is chairman. Room mother hostesses will serve refreshments.

Thsoe interested in joining the Mother Singers group may call Mrs. J. E. Cyr, music chairman, at PL. 5-1828.

Additional Postal Service Provided Broadmoor Area

Additional postal service has been provided for the patrons of the Broadmoor Village, Garden Village area of the Daly City post office, with the establishment of Contract Station Number One located at 2688 Junipero Serra boulevard between Garden Gateway and 87th street in the King's Market area, according to Postmaster Vincent P. Murphy of Daly City.

The new station will be supervised by Mr. Charles Hildebrand of the Broadmoor Pharmacy. Hours of service will be from 9 a.m. to 12 Noon, and from 1 p.m. to 6 p.m. weekdays, and from 10 a.m. to 1 p.m. on Saturdays.

Service at the new station will include stamp sales, Registry services, domestic Parcel Post and Money Order business.

NOISY 49er FANS QUIETED BY COPS AT SERRA RESTAURANT

Police officers from Broadmoor and Daly City were summoned to a Junipero Serra boulevard restaurant late Sunday afternoon to avert what the management said was turning into a riot after two bus loads of San Francisco 49ers footbal fans disembarked at the estabishment.

According to the owner of the restaurant, who called in police, the football fans were getting overnoisy and boisterous. He refused to serve them and asked that they leave.

Four carloads of police reported to the scene, where it was reported the disturbance was put down without any calamities.

Set Get-Acquainted Hour At Colma School Next Week

A get-acquainted hour will be held for parents at Colma school in the multi-purpose room on Wednesday, Nov. 10, in observance of American Education Week.

Morning session second and third grade teachers will welcome parents from 3 to 4 p.m., while seventh, eighth and p.m. session teachers will greet parents from 4 to 5:15 p.m.

The district hopes that parents will come to see the school and meet the teachers "in order to become more fully award of how their children spend their time at school."

Tours conducted by student guides will give parents the opportunity of becoming acquainted with the new facilities of the school which are in use for the first time this school year, according to the principal.

Refreshments, furnished by the room mothers, will be served by the social committee of the Colma Girl's association.

In addition to Colma faculty members mentioned in a news release last week, other personnel are: Mr. Tergis, vice principal; Mr. La Cana, sixth grade; Mrs. Cody, fifth grade; and Mrs. Bartell, second grade.

Tergis and Mrs. Mayo also serve as counselors to the boys and girls, respectively.

CHARGE WESTLAKE MAN DRUNK IN AUTO HERE SUNDAY

Joseph Martin Francis, 33, of 20 Garden Grove drive, was arrested by Daly City police here Sunday morning at 6 a.m. on charges of being drunk in and about an automobile.

According to police report, Francis was seated behind the wheel of his car which was parked off Alemany boulevard in front of the Westlake clubhouse.

Police said his vehicle had knocked down a two-strand wire fence and post. Francis was subjected to a sobriety test at Junipero Serra hospital and results were positive, according to police.

After being booked at Daly City police station Francis was released on $50 bail set by Judge Thomas L. Bocci.

Auto Fire Here Does Estimated $150 Damage

Fire caused by a spark on the pavement caused an estimated $150 damage to a vehicle parked on Alemany boulevard between Eastgate and Skyline Sunday afternoon.

Firemen said the auto of A. W. Middleton of San Francisco had caught fire after one of the vehicle's wheels came off, causing a spark when the metal hit the pavement. The fire department responded in time to prevent the vehicle from being completely consumed.

THE BIG KILL—Local hunters had it good on a recent visit to the O'Neil district outside of Wells, Nev., as the party of four returned home with four bucks. Two of the animals were forked horns, one a three-pointer, and one a four-pointer. Shown in photo (left to right) are Paul Von Kempf, Quinto Barsotti and Dino Agresti. Sarto Manager Leads Club To First League Win

Manager Harry Krohn of the Sarto A.C. came out of two-year "retirement" from active play and led the local club to their first Peninsula baseball league victory in four games as they eked by Fred's Cocktails, 4-3.

Krohn, who generally limits his action to engineering from the bench, did yeoman duty as catcher Sunday at Marchbanks and swatted out two singles in two times at bat to lead the Sarto hitting roster.

Ron Coburn gave up eight hits and one walk while striking out 11 Fred's batsmen. Fred's tallied in the first inning on two hits and Sarto retaliated in the second with one run on a pair of hits.

In the fourth frame Fred's jumped to a 3-1 advantage but Sarto pulled into a tie in the eighth, scoring the winning run in the ninth.

INTERSECTION AT ALEMANY AND SHEFFIELD HIT

Some sort of traffic regulation at the dangerous crossing at Alemany and Sheffield drive in Westlake was proposed by the city council Monday night.

The topic came up as the council read a letter from the police commission which said, "We are against any restriction of traffic at that intersection."

Councilmen order City Administrator Dan Andersen to check with the commission on their reasons for opposing traffic regulation there.

The intersection has been termed dangerous, especially for autos attempting to turn south off Sheffield onto Alemany, where traffic obstructs crossing from both directions.

Councilmen conceded that some sort of safety measure should be taken there "before somebody gets killed," as Mayor Joseph Verducci phrased it.

The council held up action to regulate the traffic, however, pending a detailed report from the police commission.

COLMA EAGLES STILL UNSCORED UPON IN FOUR GRID CONTESTS

Unbeaten, untied and un-scored upon.

That's the phenomena record of the Colma Eagles, who continued their practice of bewildering "A" division Rec Touch Football league clubs Saturday at Marchbanks park as they shut out the Colma Bears, 40-0, for their fourth straight win.

The fast-stepping Eagle offensive has now scored 98 points against its four opponents, while allowing nary a single tally to register on the scoreboard against them.

It marks the first time in recreation football league history that a team has gone this far into the season without being scored upon.

Score At Start

From the time they got their hands on the ball Saturday the Eagles were on the score path. On a third down play in the opening minutes of the contest Steve Oppermann, working from a single wing, pitched 40 yards to Ross Holmgren who stepped into the end zone as he snared the long aerial.

Oppermann then buttonhooked a bullet pass for the extra point.

Proving versatile going either way, Oppermann then intercepted a Bear pass after the kickoff, returned the ball from the Bears' 30 to their five-yard line.

Behind precision blocking, by Rich Mollinson, Pete Garcia and John Mullin, Oppermann then circled his own right end to tally again. The conversion was missed and shortly after the half-time gun sounded.

Dampen Bears Hopes

A determined Bear crew took the field in the third quarter, but their enthusiasm was dampened as in four offensive plays, the staunch Eagle defense pushed them from their own 35-yard-line into the end zone for a safety and two additional points, making the score 15-0. Mike Wells, Garcia and Mollinson were instrumental in nabbing the Bears for huge losses.

Later in that quarter the Bears staged what looked like a sustained drive, sneaking into Eagle territory for the first time as Paul Giomi hit Bill Pickering and John Crane consistently through the aerial route.

Harry and Gary Geniss, Alan Lee and Jim Yager made possible the Bear forward progress with sharp blocking.

The Bear hopes dimmed again, however, as Oppermann intercepted a pass and returned it to his own 40-yard-line.

Still relying on the arial game, Oppermann again hit Holmgren on the 20 and he scooted in the end zone to complete the play that went a total of 60 yards, making the score 21-0.

The Eagles fourth tally came when Oppermann hit Garcia from 15 yards out. The conversion was good and the score stood at 28-0.

Oppermann Again

Another Oppermann to Garcia pass made it 34-0. The Eagles wound up scoring for the day when Oppermann whipped a short pass to Ross, who rambled 45 yards downfield to paydirt behind the sparkling blocks of Dick Curry, Garcia and Mullin.

In the other Class A contest, Colma Rebels rolled over OLPH Lions, 32-0. Tough going either way, offense or defense, the Rebels have now scored 72 points while holding their opponents to two. Ironically, these same two points were the margin of loss in the Rebels only setback when Broadmoor scored a safety and toppled the Rebels, 2-0.

Saturday afternoon, however, the Rebel offensive machine was in better fettle as Rex, Larry and Barrly combined to steam-roll for five quick touchdowns. The win established the Rebels as solid contenders with the all-powerful Eagle eleven.

Leaders Clash

The vastly-improved Rebel aggregation will vie in a make-or-break contest this Saturday when they face the Eagles for the first time in what should prove the season's best contest.

The Class D division saw the second upset of the season in as many weeks when the Broadmoor Bucs were turned back by a surprising OLPH club, 19-9.

The Bucs offense clicked but their defense couldn't stop the ozone attack in the person of bullet passes from the Giants' Bill Whalen to Bill Watts.

This combo resulted in two touchdowns for the OLPH outfit and a Whalen to Bud Lycett added the final TD for the winners.

The Bucs, with Mike Hoffman, Don Clenans, Dennis Milani, Wayne Moon, Dave Clark, Don Harris and Bill Dougherty, were playing good football but couldn't match yard-for-yard with the OLPH devastating air game.

Bottle Up Heick

Jim Heick, the Bucs usual offensive stalwart, was kept bottled throughout by the Giants defensive mesh. Most of the offensive duties were delegated to Webb Parker and Bob Goodwin. Heick did, however, contribute two points on an alert defensive play as he trapped OLPH for a safety.

Moon was lauded as the outstanding player on the field on both offense and defense.

In the other "B" game the Broadmoor Indians handed the Broadmoor Tigers their fourth consecutive defeat, 6-0.

While the Tigers showed improvement they couldn't match the one TD that was all the Indians needed for victory.

CIVIC, FRATERNAL DELEGATES ATTEND VNA CONFAB HERE

Over one hundred representatives of various civic, fraternal and other organizations in the northern peninsua area gathered at the Daly City Community Center for last week's meeting of the Visiting Nursing association of San Mateo County, Inc., as agency of the United Crusade.

The purpose of the meeting was to acquaint people with the VNA organization and the services it offers. In the main speech, Dr. H. D. Chope, director of the San Mateo County Department of Public Health and Welfare, outlined the building plans of the county for serving people living in the north county area, and explained how the program was to be financed. "What we need now," said Dr. Chope, "is pubic interest and to have the public understand what we are doing and why we are doing it." Miss Martha Adam, executive director of the VNA, showed colored slides presenting the public health nurse in action.

After group discussions in which questions were answered, coffee and sandwiches were served.

Pick Up 5 Coastside Juveniles In Auto; Driver Is Drunk

Five Coastside youths were apprehended by Daly City police Saturday evening after the driver of the juveniles' vehicle struck a parked car at 208 W. Los Banos avenue.

Several citizens nabbed the youths after the 17-year-old driver had struck the vehicle.

Police described the driver, whose residence is at Linda Mar, as "very drunk." The boy admitted he had purchased six cans of beer and a quart of ale at a Pedro Point grocery store.

The youth who was recently discharged from Log Cabin Ranch correctional school, was turned over to authorities at Hillcrest Juvenile Home.

The other four juveniles were turned over to custody of their parents.

They included a 17-year-old boy from Edgemar, a 16-year-old boy, a 17-year-old girl and a 14-year-old girl, all of Pacific Manor.

The girls claimed that the boys had picked them up with the intention of driving them to a dance. They said the boys had purchased the beer before picking them up.

Halloween Party At Colma School Termed A Success

The Colma school Halloween party Saturday was termed "very successful" by the Hillside and Crocker PTAs, sponsors.

Mrs. John Molani was chairman and Mrs. Mary Quintaras was in charge of decorations.

The children enjoyed an evening of fun and games, directed by Mr. Warren and Mr. Brown. All children were in costume and there was a dress parade, with prizes for the best costumes.

It was announced that Miss Slater's class won the rotating room prize of a microscope for the best parent attendance at the October unit meeting of the Hillside PTA.

Following a discussion by Fred Schweickhardt, director of education for the Jefferson Elementary school district, Glen South, dean of boys at the high school, and police officers Jerry Galindo and Gerald Schaeffer offered parents a chance for open discussion and questioning on the topic of teenage problems.

Mrs. Eckert, salvage drive chairman, extended her thanks to everyone who donated towards the drive. The competition ended in a tie, with prizes going to Mrs. Huggin's and Mrs. Biagini's classes.

The following dates have been underlined on the PTA calendar:

November 8 — Executive board will hold its regular meeting in the teachers' room at Colma school, beginning at 8 p.m. Mrs. E. Hyndman, Mrs. Eckert and Mrs. E. Goldkuhl will be hostesses for the evening.

November 9 — Hot dog sale will be held at Colma school. Children will bring home notices giving details of the sale.

November 10 — Tea will be held for the mothers for the purpose of meeting the teachers and bringing about a closer relationship between parent and teachers. The girls league, under direction of Mrs. Mayo, will be hostesses for this affair.

Ordinance No. 3

NORTH SAN MATEO COUNTY SANITATION DISTRICT

AN ORDINANCE AMENDING ORDINANCE NO. 1, NORTH SAN MATEO COUNTY SANITATION DISTRICT SANITARY CODE, ADOPTED NOVEMBER 9, 1953, BY ADDING THERETO SEC. 5.13 AND SEC. 5.14.

The Board of Directors of the North San Mateo County Sanitation District, San Mateo County, California, do ordain as follows:

Sec. 1. **Ordinance No. 1,** The North San Mateo County Sanitation District Sanitary Code, adopted November 9, 1953, is hereby amended by the addition of Sec. 5.13 and Sec. 5.14, as follows:

"Sec. 5.13. **Reimbursement Agreement.** Where the cost of the public sewer main extension has been deposited or paid by the person making such extension as hereinbefore set forth, the District may thereafter, but not for longer than ten (10) years after the date such extension is originally connected to the District's sewer system, collect from any person connecting to such extension, except the person originally installing such extension, that fraction of the cost of such extension, as approved by the District, as the number of recorded parcels owned by such persons subsequently connecting to such extension bears to the total number of recorded parcels held by potential users along the extension as determined by the District as of the time the extension is connected to the District's sewer system. Such sums as are thus actually received by the District shall be paid by the District to the person originally making such extension, but the District shall in no way be obligated to assure that the person making such extension is paid the total cost thereof nor to initiate any action nor incur any expense to collect any sum to be paid such person; nor shall such refund be made from any other revenues of the District. Where more than one person contributes toward the making of the extension, such sums as are actually collected shall be refunded to such persons, pro rata, according to the amounts which they severally contribute toward the cost of the extension and pursuant to the preceding plan.

"Sec. 5.14. **Special Conditions.** Where special conditions exist, in the opinion of the District, relating to any agreement pursuant to Sec. 5.13 of this ordinance, they shall be the subject of a special contract between the District and the person making the public sewer main extension."

Sec. 2. **Publication.** Upon adoption this ordinance shall be entered in the minutes of the Board and shall be published once in The Record, a weekly newspaper of general circulation, printed and published in the District, within fifteen days following its passage and adoption, and shall take effect and be in force upon the expiration of thirty days after its passage.

NOTICE OF SALE OF BONDS —of— JEFFERSON ELEMENTARY SCHOOL DISTRICT

An Elementary School District of the County of San Mateo, State of California

The Board of Supervisors of the County of San Mateo hereby invites sealed proposals for the purchase of THIRTY-ONE THOUSAND DOLLARS ($31,000.00) worth of bonds of the Jefferson Elementary School District, an Elementary School District of the County of San Mateo, State of California, and bids therefor will be received by said Board of Supervisors up to the 16th day of NOVEMBER, 1954, at the hour of 10:00 o'clock A. M. of said day, when all bids received will be opened at the Chambers of said Board in the Court House, Redwood City, San Mateo County, California. Said bonds are numbered from 265 to 295, inclusive, and each is of the denomination of One Thousand Dollars ($1,000.00) and shall bear interest at a rate not to exceed five per centum (5%) per annum, payable annually for the first year the bonds have to run and semi-annually thereafter on the fifteenth day of JUNE and the fifteenth day of DECEMBER of each year, principal and interest payable in any coin or currency which on the respective date of their payment is legal tender for the payment of public and private debts at the office of the Treasurer of said County of San Mateo at Redwood City, California, and will each bear date of December 15th, 1950. Each bidder shall specify in his bid the rate or rates of interest he desires said bonds to bear, not to exceed five per centum (5%) per annum, and the premium offered, if any. Bidders may make one or more alternative bids or offers for said bonds at different interest rates. Split rate interest bids will be received and it shall not be necessary that all bonds offered for sale bear the same rate of interest, but such interest shall be in multiples of one-quarter of one per cent. The definitive rate of interest said bonds shall bear shall be determined at the time of sale. The best bid will be determined by deducting from the total amount of interest which the district would be required to pay up to the maturity of the bonds, at the coupon rate or rates specified in the bid, the amount of the premium, if any, bid therefor, and the award will be made at the lowest net interest cost to the District.

The number of years said bonds will run and when payable are as follows:

$1,000.00 of said bonds shall mature on the 15th day of JUNE in the year 1973;
$15,000.00 of said bonds shall mature on the 15th day of JUNE in each of the years 1974 and 1975.

Said bonds are the unsold remainder of a bond issue totaling $295,000.00 and will be issued in pursuance of the election held in said school district on the 29th day of SEPTEMBER, 1950, and in conformity with the laws of the State of California and pursuant to and in compliance with and in the form prescribed by resolution and order of said Board of Supervisors adopted on the 8th day of NOVEMBER, 1950, and entered in the minutes of said Board, to which reference is hereby made for greater particularity.

At said election 3255 votes were cast, 2 of said votes being cast by absentee ballot, 2997 of said votes were cast in favor of the issuance of said bonds, 192 of said votes were cast against the issuance of said bonds, and 66 ballots were void and not counted.

Such proposals and bids may be addressed to said Board of Supervisors and bids may be made for either the whole issue of said bonds or for parcels thereof. Bids must be for not less than the par value of the bonds bid for and be payable in cash in lawful money of the United States. The right is reserved to sell said bonds as a whole issue or in parcels and to reject any and all bids. Bids must be accompanied by a certified check, certificate of deposit or cashier's check upon or of some responsible bank in the sum of Five Thousand Dollars ($5,000.00), payable to the Chairman of the Board of Supervisors and conditioned that if the proceedings be legal the bidder will purchase said bonds at the price bid and pay for the same at the office of the Treasurer of the County of San Mateo within five (5) days after notice given that such bonds are ready for delivery.

The assessed value of the property situated within the said school district, as shown by the last assessment roll, is $32,475,758.00 and there is an outstanding bonded indebtedness in the sum of $1,326,000.00.

The purchaser will be required to furnish his own legal opinion as to the legality of said bonds.

The Jefferson Elementary School District includes within its limits the incorporated City of Daly City and a large unincorporated area and has a population of approximately 28,650.

The District has within its limits three banks and numerous places of business. There is no controversy or litigation pending or threatened concerning the validity of the above issue, the existence of the District, or the title of the officers to their respective offices.

By order of the Board of Supervisors of the County of San Mateo.

Dated: OCTOBER 19th, 1954.

Molina Tops L.C. Gage In OLPH Bouts

Luis Molina of Santa Clara outfought North American Amateur Lightweight Champion L. C. Gage to take a unanimous decision last Thursday night at Daly City

The four-rounder was the main event on a card of seven bouts presented by Our Lady of Perpetual Help Men's club in the War Memorial Community Center Building for the benefit of the church youth program.

The paid attendence was 680 and gross receipts totalled $782.

Gage of San Francisco seemed stronger and smarter, ringwise, than his challenger in the first round, but in the second Molina stuned him with a stiff uppercut to the chin. That blow gave Molina assurance. Thereafter, he fought more aggressively, connected frequently with jolting rights to wear down the 132-pound champ.

Other Crowd Pleasers

Both boys boxed well and punched sharply, but their fight was anti-climatic, following several tense slugfests in the preliminaries that left the fans limp and horse.

Pete Volser of Santa Clara and George Parego of San Mateo, 134 pounds took turns charging and butchering each other. Volser won because he had Parego on the floor twice.

For four rounds they punched one another with lethal blows and, as each connected, the crowd expected a kayo, but both had the stamina to absorb a haymaker and come on again.

Al Conley, 128 pounds, took a decision over Joe Arroya that was loudly cheered and booed.

Conley a Master

Conley, a master boxer, sharpshot from long range to connect repeatedly with left jabs and right leads to the head. After the first round Arroya waded into him with solid body blows. Fans took sides and cheered, some pulling for the boxer and some yelling for the puncher.

Bill Moon of San Francisco won a TKO over Mike Kuokotis of Greece and S. F. after flooring him in 1:35 of the second round. Until then, Koukotis was far in front on points.

Tony Moss, 145, attacking relentlessly, decked Luis Balterani in 1:05 of the second round and won by TKO.

Jimmy Buccelato, 162 pounds, of Pittsburg, stalked Hank Casey of San Francisco for four rounds and landed half a dozen wallops but couldn't follow through for a Kayo and took the decision.

A Waltzer

Willie Moffatt, 145, of Pittsburgh, and Bob Gayton, San Francisco, waltzed through the first round of their encounter to the accompaniment of spectator humming, singing and jeering. In the second round they discarded boxing lore and put on a rough fight which Gayton won.

The California State Athletic Commission furnished the officials, including Frankie Brown, referee, who officiated the Bobo Olsen-Rocky Castellani title go. The others were Joe Ray and Jack O'Brien, judges, Dr. Don Estrada, physician, and Scottie Butterworth, announcer.

The amateur presentation proved a better show than the usual TV professional contests. The youngsters were well schooled in fisticuffs, were well matched and had the crowd intent throughout.

Proceeds will be used to promote the church Cub and Boy Scout troops and to purchase gym equipment to train novice boxers here.

Another boxing program is carded for December 2.

College Of San Mateo Preps For Final Game

As the football season begins to draw near its close at College of San Mateo, basketball practice will start Monday in preparation for that league sport.

This Friday at 2 p.m. CSM will play its annual homecoming game against City College of San Francisco, and arch rival that has been holding the perpetual game trophy, a tom-tom drum, for the past several years. The game will be played at Balboa High school stadium in the City and is the homecoming game for both schools.

San Mateo's offense has been brightened recently by the fine playing of fullback Bob Nelson of Half Moon Bay who has won a starting spot for himself.

Undisturbed beneath the 270 green-lawned acres of San Francisco's Lincoln Park, lie the burial grounds of Chinese and Italians, and an old-time Potters Field.

INELIGIBILITY OF FAMBRINI RUINS HARRIERS HOPES

Jefferson High school's hopes for a 1954 cross-country championship vanished overnight as coach George Simon announced that Rich Fambrini, probably the second best marathon runner in the PAL, has been declared ineligible because of inadequate scholastic standing.

Fambrini had been expected to be a front runner in the PAL finals scheduled yesterday (Thursday) right behind Simon's top distance man, Jim Rector.

In previous races Rector and Fambrini have finished in one-two order and were given a good chance of winding up that way in the finals.

Simon will now have to rely on Jim Taylor, Clark Souza or Bob Poole to improve enough to move into the first five finishers. Other harriers who might be counted on as outside chances are Alan Grosso and Tom Tringali.

Because of his outstanding work on the team, Fambrini was chosen honorary captain of yesterday's meet, Rector, Souza and Poole were named co-captains.

Fambrini's ineligibility will also crimp the Jeffs chances Saturday, Nov. 13, when they vie in the North Coast Section group meet and in the NCS finals the following week on November 20.

Simon figured with Fambrini out the Indians would find it almost impossible to squeeze into second place in the PAL but prophesied that the local harriers should have little trouble running third.

Set $70,000 Goal For Christmas Seals

A goal of $70,000 has been set for the 1954 Christmas Seal Sale of the San Mateo County Tuberculosis and Health Association it was announced today by Theodore Lilienthal, general chairman for the sale.

"Tuberculosis is a major communicable disease problem for San Mateo county," Lilienthal said. "The number of cases of TB newly reported to the Department of Public Health and Welfare in 1954 totals 121 and exceeds the number of new cases of polio reported to date."

"The need for additional funds to carry on the program of the association is pressing," Lilienthal continued. "We are trying to gear our X-ray screening to the growing population of the county. During the first ten months of 1954 the Chestmobile has taken 24,478 X-rays and will exceed its case finding budget by more than 5,000 films before the end of the year."

Jefferson Hungry For First League Win Against 'Cats'

Maybe today's the day.

Coach Joe McGrath has expressed this sort of optimism every Friday since the Jefferson High school varsity football schedule began some five games and five losses ago.

It hasn't rung true as yet, but with last Friday's near-win behind them, the Indians figure maybe they're moving in the right direction.

Losing no prestige in their 13-0 setback at the hands of Willow Glen last week the local high schoolers travel to Burlingame today (Friday) where they do battle with the Bearcats in a contest beginning at 2:45 p.m.

Injuries Level Off

Plagued by injuries to key players every week, McGrath will today field a team that is as close to full operating strength as any coach could ask. Bob Grubb, regular QB, suffered a wrenched ankle last week, but was reported working out Wednesday and should be ready to start today.

The Indian backfield starting line-up will probably find Grubb, Jim Honeywell, Del Hamann and Tex Prentiss carrying the inflated pigskin.

At full running strength, McGrath hopes that his club can develop some sort of offense today other than the minus yardage variety.

OK Against Rams

The Indians managed a plus figure on their ground game last week, racking up a fair-to-middlin 111 yards, while getting 44 yards through the air lane. This is considerably better than they have registered in previous games.

Friday's loss was actually handed the Jeffs in the final three minutes of play after a couple of real tough breaks.

Holding a 0-0 tie after 45 minutes of play, Jeff end Rich Guisti blocked a Ram field goal attempt on his own five-yard-line.

The ball caromed all the way back to the Indian 40-yard-line, where Jefferson lineman Jim Tiblin had an excellent chance to pick up the ball and scoot for the six points.

Tiblin delayed, however, although he was 15 yards in front of any opposing tacklers, and Guisti finally grabbed the ball after the long interim and was immediately spilled.

Pass Nullified

After taking over possession, the Jeffs completed a long aerial into Ram territory that was nullified on a penalty. Next play, Jeff quarterback Ken Smith tripped on an attempted pass play, throwing the ball wild to a defending Ram, who had a clear field all the way to paydirt.

A minute later, with scant seconds remaining and the Jeffs hoping for a desperation score, Daly City QB Bob Queen flipped a short pass over the line right into the hands of Willow Glen's Al Buckley, who took it on the 35 and scored with ease.

McGrath has conceded that victory today would be a "major upset" but on the basis of last week's play, thinks his club does have the stuff to win.

The team's chief drawback has been fundamentals—blocking and tackling—and the coach has been cracking the whip this week to overcome this basic problem.

If the Indians can manage to compile about 300 yards through the ground and air today, and in the meantime stop the slashing ground game in the person of Bruce Schaake and Bob Petersen, they might have a chance for their first win. McGrath says it can be done.

GATORS TROMP NEVADA

Verducci Unleashes 54-Point Offensive

By Frances Kavanauch

San Francisco State's Golden Gators, coached by Daly City Mayor Joe Verducci, humiliated the Nevada Wolfpack, 54 to 0, last Friday night in Cox Stadium.

Aerials tossed like baseballs by Gator quarterbacks Hoot Ellis and Dick Jackstadt routed the visitors after sensational defensive play had set the stage for five second quarter touchdowns.

The Nevadans played the Gators to a standoff in the first quarter and 4½ minutes of the second. Walter Bremond intercepted a pass and ran it to Nevada's 15. Ellis passed to a first down on the five and it took four downs to make the score with half-back Walt Bremond carrying one yard.

Three minutes later, tackle Jack Lachapelle recovered a fumble on the Wolfpack 20. Halfback Dick Nave went through the line to the end zone.

Nevada Pushed Back

Nevada was pushed back inside its own 20 and had two punts called back for offside. The next took the fight out of the Wolfpack. Bob Springer caught it in midfield, picked up blocking, headed left and ran the sideline to the third TD.

The most spectacular play of the game preceeded the fourth score. Jackstadt passed from his 20 to Walt Bremond who caught it on his back on the 50 and laterailed it to Springer who ran it to the 17.

Jim Boggan, halfback, rounded right end for another six points.

A minute later, Boggan intercepted a Nevada pass and raced 41 yds. and a touchdown.

Right end George Wehner made two "impossible" catches of Ellis passes in the third quarter, leaping to stop them on his finger tips, then juggling them and holding on.

The first was a 69-yarder good for a TD. The next went 42 yards to the visitors 17.

Ellis intercepted a Nevada pass on SFS's 30 to set up touchdown No. 7 and John Sochor scored on 17 and 11 yard runs.

Final Points

The final points came on a 74-yard pass from Jackstadt to Springer.

The Gator's powerful line play kept Nevada on its own side of the field until the fourth quarter and the pack was able to cross the midstripe for only one play. A penalty and a badly passed ball late in the fourth quarter gave Nevada possession on SFS 25, but the pack lost 12 yards on the next three plays.

Nevada's great quarterback Ed Jesses was rushed too much by State defenders to get set to pass and his receivers were guarded too closely to catch the balls he threw. Nevada gained 24 yards—all on the ground—in the first half. In the second, Jesse gained 34 passing, but his team grossed minus six running.

Defensive standouts for State were Larry Conover, Bob Barron, Dick Galliani, Bob Dryer, Jim Bunger and Springer.

The SFS blockers allowed Ellis and Jackstadt plenty of time to spot pass receivers and opened big holes for ball carriers.

Jackstadt kicked four conversions and Bob Rodrigo two.

At half-time, the San Francisco student body put on a reflector card spectacle in which one featured a picture of Coach Verducci which was loudly acclaimed by 5200 spectators.

Palo Alto Lowers Boom On Jeff Frosh-Soph, 64-0

A good team and a "hungry coach" was described as the comzination that humiliated Jefferson High school's frosh-soph gridders Thursday, 64-0.

The Indians opened the first quarter on an auspicious note as they marched to three straight first downs, down to the Vikings' 35-yard-line, only to be stopped a yard short on their try for another first down.

The first time Palo Alto got their hands on the ball they scored and that was the story thruout the remainder of the game.

In the last five minutes of play, Palo Alto tallied three times.

Jeff coach Ernie Ribera cited Jim Beaton in the line and Mike White in the backfield for their performance in Thursday's contest. Paul Tapia, Jeff passer, had the misfortune to throw more interceptions than completed aerials.

With four games remaining, the Jeffs now have a 1-2 mark in league play.

The frosh-soph outfit were scheduled to meet Capuchino yesterday (Thursday) on the latter's field.

JEFF CAGERS CINCH FOR 2 CHAMPIONSHIPS

Apple Tree, Eagles Again Tied For DC-Colma Bowling

Apple Tree Rest, rolling a pair of wins over Vagabonds, regained a tie for leadership in the Daly City-Colma Bowling league Tuesday at Brentwood as last week's pace-setters, Daly City Eagles, dropped a pair of alley outings to Vince & Fred.

Apple Tree and Eagles are now deadlocked for first place with 16 wins, eight losses apiece. The two teams were tied for leadership two weeks ago, but Daly City Eagles moved one game in front last week.

A tie also exists in the battle for third place as Central Club and Thur Meat shared 15-9 won-loss marks. Central blanked Paul's Flowers in a trio of games, while Thur was doubling over William Lagomarsino & Co.

In other action Lucca Meat won a pair from Daly City-Colma Lions, Ralph's Cleaners took two from King's Market, Brentwood Rest doubled over Carlos Pizzeria and Walter's took two from 101 Club.

V & F's Babe De Luca continued to set the pace for high individual series as he tossed a 614. L. Selmi of the Eagles won high individual game honors for the evening with a 223.

Stan Fogler of Apple Tree Rest was runner-up in the series department with a 609. He also had a top game of 207.

Ray Warrick of the Vagabonds also managed a 209 game.

Ralph's Cleaners Noel Foley managed a 213 game, tying De Luca for runner-up in individual game performance. E. Gabriellini of 101 Club was fourth for individual game with a 211.

George Mutto of Paul's turned in a 211 game, while Jay Scholes of Walters rolled a 202.

Testimonial Sports Dinner In 2 Weeks

Saturday, November 20, is the big night for followers of the local and national sports scene as Daly City's three outstanding athletes will be honored at a testimonial dinner.

Don Mossi, Ed Cereghino and Bob Silvestri will be feted at a full course dinner to be held at Lovchen Gardens on that night.

The three athletes who began their rapid ascension in the sports world in Daly City will be given an award by Mayor Joseph Verducci.

In addition to the dinner, entertainment and dancing will be held.

Dan Casentini, chairman of the local Italian-American Citizens' club, sponsors of the event, says that it promises to be a dinner "to be remembered by all."

With only two more games apiece to play, Jeferson High school's two lightweight basketball teams loom as virtual cinches to cop both divisions of the Peninsula Athletic league.

It will mark the first time in the history of Jefferson high that both the 10s and 20s basketball squads have won championships simultaneously.

Tuesday Mike Orlich's little Indians registered decisive wins over a pair of lackluster Half Moon Bay teams. The 20s margin was 33-23, while the 10s unleashed their most powerful scoring offensive of all season to trample the Coastsiders, 51-21.

Highest Point Total

In scoring their highest point total of the season, the 10s had a 19-point third quarter, sparked by Gary Ryan and Andy Ruelas, who each scored five points in that canto.

Ruelas and Al Dye led 10s scoring for the day with 11 apiece. Ryan had nine, Ino Patron, 6, Al Long, 4, George Mecchi, 3, Bobby Lee, 2, and Puzzy Firth, 2.

At the close of the third quarter the Jeffs held a 40-16 advantage and Orlich put every player into action.

The 20s led throughout their contest, commanding a 14-11 halftime edge and a 28-13 third quarter margin. Wally King was the point pace-setter with 11. Lenny Hintermann and Dick Fudge each had 8, while Bob Phillips notched five and Leroy Franzoia one. Orlich also cleared the bench in this contest.

Tens Wins Apiece

Both local teams now have ten wins apiece. Only game remaining are against Carlmont on Tuesday and South San Francisco on Wednesday and, as it now shapes up, the play-offs with the south division champ.

In last Thursday's game the Indians easily disposed of a pair of Burlingame teams.

The 10s dropped the Bearcats by another lopsided score, 42-13, while the local 20s were winning a closer one, 37-30.

Ryan and Ruelas led the 10s with eight apiece, while Hintermann unleased a one-man 16-point attack for the 20s.

SARTO MIDGETS HANDED INITIAL LOSS BY PORTOLA

Previously undefeated Sarto Midgets dropped their first San Francisco Midget league contest Sunday as they were outclassed by Portola, 11-6.

Mike Kennedy and Bill Kane shared pitching duties for the Sarto Midgets.

The Portola team is made up of the best players from San Francisco playgrounds.

Sarto has two more games to play in the Midget circuit. Portola, undefeated, must lose one game while Sarto is winning their remainding contests in order to give the local Midgets a tie for first in the circuit.

UPENDED for the second time is George Parego, (photo at left) as Pete Volser stands with right hand cocked to finish job in 134-lbs. battle at OLPH Men's club amateur fight presentation Thursday. Referee Frank Brown scoots to get out of way of toppling Parego. The lightweight match provided some of the top action in the seven-bout card, with both boxers alternately jolting each other with either hand. Volser copped the decision. In bottom photo Hank Casey goes into a shell after taking repeated head shots from Jim Buccellato in a 162-pound contest. Although no knock-downs were recorded, both men were wobbly in the final round after absorbing roundhouse blows throughout the melee, with Buccellato gaining the judges' final nod. THE RECORD photo

A Message from Lee Bagrash
Your Pharmacist

THE "MOST PRECIOUS DOCUMENT IN THE WORLD," is the prescription you get from your Physician. Before he can write it, he must do these important things.

1. AFTER GRADUATING FROM HIGH SCHOOL, and being carefully checked for moral character and adaptability to medicine, he attends a pre-medical college.

2. HE THEN STUDIES IN A MEDICAL UNIVERSITY for at least four more years.

3. AFTER GRADUATION HE IS EXAMINED BY THE STATE for knowledge and ability. When he passes these tests he is licensed to practice medicine.

4. THEN HE USUALLY SPENDS ABOUT TWO YEARS as a hospital interne, where thousands of sick people are examined by him. Here older Physicians give him the benefits of their experience.

5. AT LAST HE OPENS HIS OFFICE, but he never stops learning. He joins his County, State and National Medical societies, and from their reports he gets all the newest methods of treatment.

NOW HE CAN WRITE YOU THAT PRESCRIPTION which you bring to "Your Pharmacist," also licensed by the State, after many years at College, to Practice Pharmacy. We carefully compound it, exactly as your Physician specifies, and you get well.
